

## TDAA Temporary Jump Height Instructions

Effective **April 1, 2008** there will be a new process for obtaining your permanent jump height card.

The new process will work like this—

Exhibitor's role

1. T-forms are available from clubs, judges, and [www.k9tdaa.com](http://www.k9tdaa.com) . Also you will receive one when you register your dog.
2. The owner/handler completes the owner and dog information requested on the form.
3. Present T-form to judge each time the dog is measured until form is complete. (two signatures showing the same jump height)
4. A completed T-form shows 2 measurements that place the dog in the same height class. This may take three measurements.
5. Mail a copy of the completed T-form to **TDAA Box 159 Maroa, IL 61756** to receive their P-Card. Keep the original to use as a card until the permanent card is received from TDAA.
6. Clubs will accept the completed T-form in place of the permanent card until the permanent card is received.

Those only needing one measurement, (already been measured once) will mark on the T-form that one measurement was previously taken.
