TRIAL INFORMATION

This trial will be held indoors on rubber over padding. The following is a list of obstacles to be used. Contacts have rubber coating. 2" jumps will be obtained by crossing bars on the 4" jump cups.

A-frame (6' 8") Tire Jump (16") Dog walk (8' ramps) Table (30" by 30") Single & winged jumps
Open (Pipe) Tunnel (16") Teeter (8', 12" wide) Weave poles (22" centers)

Warm up on TDAA equipment provided for all exhibitors. Obstacle familiarization is available each morning prior to judging.

Awards: Ribbons awarded for 1st through 4th in each jump height of each class. Qualifying ribbons awarded to all dogs receiving a Qualifying score. Dogs may receive placement ribbons without qualifying. Fast track dogs will only get Qualifying ribbons at the Beginners/Games I and Intermediate/Games II levels.

PLEASE PICK UP AFTER YOUR DOG AT THE SHOW SITE AND HOTELS All dogs must be kept on leash except in designated areas

Eligibility: This trial is open to all dogs under 20" and over the age of 12 months, except bitches in season, aggressive dogs or dogs suffering from any deformity, injury or illness which may affect a dog's physical or mental performance.

Your dog must be registered with TDAA to participate in TDAA Trials. There is a registration form included in this premium, or you can register the first day of the trial. TDAA rules can be obtained online at www.k9tdaa.com

STANDARD COURSE BETA FORMAT – ALSO KNOWN AS DOUBLE RUN

Beta format is for pairs of Standard runs (1 & 2, 3 & 4, and so on) and allows you to run the same course twice in the same course order (no renumbering of obstacles, no changing the course). And yes, you can qualify twice too!

There is no 2nd walk-thru before round 2, so if you're only running round 2 you walk before round 1. **We are running both Beginner, then both Intermediate, then both Superior of each pair, so you CAN move up in between!**

A pair of double run/beta standards would run like this: Set Std1/Std 2 course for Beginner; walk course, run Std 1, then immediately Std 2. Reset course for Std 1/Std 2 Intermediate; walk, run Std 1, run Std 2; Reset course for Superior.

Why are we offering this? Many other clubs in the area are trying this format, and exhibitors have loved it. It offers a chance to try different handling techniques on each round (did something not work, would something different work better?) – and it means less course building! We can move more quickly through the day. We think you'll love it!

GAMES DESCRIPTIONS *Call or email if you have any questions about these games!*

Jackpot (Non-Traditional) – The purpose of game is to accumulate as many points in allotted time with a required distance challenge. Scored Points minus faults.

Lucky 13 – The object is to collect as many points as possible while correctly performing a total of 13 obstacles. It is a handler's choice game. Scored Points minus faults.

Full House – The objective is to successfully accumulate required points before time expires gathering the elements of the Fullhouse. Scored points then time.

Colors – is a sequencing game with 2 standard agility type courses interwoven. Handler has a choice of running any of the two. Scored time plus faults.

Heinz 57 – is a strategic dog's choice accumulation game. The purpose is to score exactly 57 points using a doubling obstacle. Scored Points only, time is a tie breaker.

Tunnel Vision – A sequencing game where tunnels are arranged in clusters and must be performed with the handler at a modest distance. Tunnel Vision is scored points, minus faults, then time.

Additional information on the games can be found in: **The Clean Run Book of Agility Games, 3rd Edition by Bud Houston.**

CLASS INFORMATION

Standard Agility Class

Beginner All dogs shall be eligible for participation in this class.
Intermediate Only dogs that have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.
Superior Only dogs that have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class.

Games Classes

Games I All dogs shall be eligible for participation in this class.
Games II Only dogs that have earned the Games I (TG1) shall be eligible for participation in this class.
Games III Only dogs that have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

FEO (FOR EXHIBITION ONLY) – Games & Standard Classes

TDAA offers FEO runs (at the option of the host club), open to any TDAA registered dog in any class. FEO dogs will run last at their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. Maximum time of 1.5 of the SCT, cannot repeat any obstacles, and no training in the ring.

Fast Track Move-Ups: Titles may be grandfathered from other organizations on a “Fast Track” basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move from Beginner to Superior on the same day if the dog qualifies first in Beginner and again in Intermediate. Likewise, a dog may move from Games I to Games III by qualifying at each of the lower two levels. A qualifying score in the lower class is required to move up to the next higher class. The dog’s owner must submit a copy of title certificates for the dog. Please mark each that apply and submit \$8.00 with your entry with the FAST TRACK portion completed. Payment of the \$8.00 is not a guarantee that your dog will qualify at the lower level and is non-refundable. This fee must be paid for this trial even if a Fast Track fee has been paid in the past.

HEIGHT DIVISIONS

See www.k9tdaa.com for updates to Rules and height divisions!

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler’s option, dogs may be entered in a higher height division (and scored in that higher height division.) A judge must measure provisional dogs.

New rules effective January 1, 2015:

- **Handler/Owner selects jump height** – Dogs will continue to be scored with dogs at their measured height.
- **Removal of four-paw safety rule** – Beginner dog will no longer be required to move on after committing four paws to an obstacle and leaving.
- **Additional time for Veteran Dogs and Disabled Handlers will still apply.**
 - Veteran Dogs (7 yrs and older) receive an extension of standard course time
 - Measured height of 2” & 4” dogs receive an additional 4 seconds
 - Measured heights of 8”, 12” & 16” dogs receive an additional 2 seconds
 - Disabled Handlers receive an extension of 4 seconds to standard course times and qualifying course times for games.

Please consult your jump height card/email to confirm the correct measured height to enter.

If you do not have a TDAA height card/email your dog must be measured at this trial.

Disabled Handlers – A time exemption will be granted as above. The proof of the disability shall be the handler’s disability parking tag or other documentation. There will be no special system of titling for disabled handlers.
