## Games Classes

(The Judges Briefing supersedes any published briefing for the games.)

**Double or Nothing** is a dog's choice point accumulation game exactly like traditional gamblers except there are two possible gambles. The first gamble is for the qualifying score; the second gamble is... double or nothing. Double or Nothing is scored points, then time.

**Lucky 13** is a dog's choice game with the objective of collecting as many points as possible while correctly performing a total of 13 obstacles – no more, no less – with the thirteenth obstacle being the tire.

**Strategic Pairs** is a fast paced and hectic relay game with 2 dog/handler teams running a numbered course at the same time. Scored Time only, however there must be a minimum of 3 handler/dog exchanges.

**FAST** is a dog's choice game with the objectives to perform all or as many of the obstacles as possible so long as time allows, without repeating any; except for jumps (valued at one point) which may be repeated (though never back-to-back) – and no more than six points can be earned from one-point obstacles. Additionally, the team must accomplish their level's Send Bonus in order to qualify.

**Picking Cherries** is a simple dog's choice game. The dog is directed to perform as quickly as possible all occurrences of one "type" of obstacle on the course... and nothing else. *Picking Cherries is scored time only.*

**Tunnelers** is a numbered course consisting only of tunnels.

### WARM-UPS

A warm-up, consisting of a regulation agility jump, shall be provided for all exhibitors.

## **NOTICE to EXHIBITORS**

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. There will be a supervised obstacle familiarization.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made. Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

Bitches in season are not permitted in the trial. A refund of 50% will be given for withdrawals due to bitches in season. A letter from your veterinarian will be required by September 29, 2017. There will be no refunds for withdrawals after this date.

Entries will not be accepted without fees. No entries will be accepted which require a signature for delivery. All entries must be submitted on Official TDAA Agility Entry Forms, one dog per entry form. Photocopied entries without the TDAA agreement are not acceptable. Unsigned, incomplete, or illegible entries will not be accepted. Returned checks do not constitute a valid entry. A \$35 service fee will be charged for any returned checks.

Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices. Exhibitors are responsible for being at the ring gate when it is their turn to run.

TDAA rules now allow a dog to wear a collar with tags, clothing, or other adornment unless they pose a safety concern. Choke collars, pinch collars, electric and dummy electric collars are prohibited on the trial grounds. Exhibitors may wear clothing or insignia of their training group.

TDAA Registration of each entered dog is required. If your dog does not have a TDAA registration number yet, please complete the Registration form, and submit fee with trial entry.

Entries close at 6 p.m. Friday, September 22, 2017 after which time entries cannot be accepted, cancelled, altered, or substituted.

## **HEIGHT DIVISIONS**

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered at any trial. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated. Special provisions for Jump Height Exemptions that are based on a dog's structure are explained in detail at <http://www.k9tdaa.com>. Click on rules and go to section 3.5 Jump Heights.

- 2" – restricted to dogs measuring 4" or less at the withers or dogs with a jump height exemption measuring 8" or less at the withers.
