GAMES DESCRIPTIONS

Call or email if you have any questions about these games!

Dare to Double is a dog's-choice game. The objective is to score as many points as possible, repeating a doubling obstacle on course (traditionally the A-frame) as often as time allows. The dog risks losing half his points if the A-frame is faulted! The dog must get to the finish obstacle before course time elapses or be penalized. Scored Points, then Time.

Louganis – The course begins with the untimed performance of two or more contact obstacles with two or more lead-out containment lines that challenge the team for an all-or-nothing scoring bonus. Time will begin only after the final contact obstacle in the opening whereupon the dog will be directed through (typically) a fast *Jumpers* course. Scored Time, Plus Faults, Less Bonus.

Weakest Link is a dog's choice point accumulation game that requires a handler to "bank" points to keep them; or lose points that are not banked. In this game points earned must be worth as much as or more than the last points earned; and are safe only when banked. Often there will be a distance challenge accorded an extraordinary bonus value. *Weakest Link* is scored Points, Then Time.

Dealer's Choice is a course to be completed by the numbers. However, the course contains *options*; the same number may appear on more than one obstacle. It is the handler's choice or the dog's-choice as to which path to take. Scored Time, plus Faults.

Cha Cha is a game that requires the dog to earn points to the beat of the Cha-cha: two slow beats (non-jump obstacles) followed by three quick beats (jumps). This is a game of strategy and precision. Scored Points, then Time.

Scamper is a dog's strategic choice game featuring a pipe tunnel surrounded by other obstacles (usually only 5 or 6) only once followed by a central pipe tunnel. Scored Points, Then Time.

Additional information on the games can be found in: ***The Clean Run Book of Agility Games, 4th Edition by Bud Houston.***

PETIT PRIX TOURNAMENT RULES & DESCRIPTIONS

Qualifying rounds for the Petit Prix Tournament are being held at this event. The Tournament Rules may be downloaded on the Internet at www.k9tdaa.com, and are hereby incorporated by reference. All dogs registered with the TDAA are eligible to enter the Qualifying round, without regard to level of competition. The Qualifying round will be judged under Superior rules for performance, using Superior rates of travel. Body type and veterans height exemptions shall be scored with their measured height without benefit of handicapping. Exemptions for "Self-declared" heights will not be recognized for play in the Petit Prix tournament.

PLEASE NOTE: Qualifications earned in these qualifying events are recorded for titling at the level for which the dog is eligible. PP qualifying runs will be run at the end of the day.

FEO (FOR EXHIBITION ONLY) – Games & Standard Classes

TDAA offers FEO runs (at the option of the host club), open to any TDAA registered dog in any class. FEO dogs will run last at their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. Maximum time of 1.5 of the SCT, cannot repeat any obstacles, and no training in the ring.

*TDAA Petit Prix - Information about this event can be found at
WWW.K9TDAA.COM when it becomes available.*

We hope you will consider joining us for this world class event held

October 4-6, 2019 in CENTRAL POINT, OR!

Fast Track Move-Ups: Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move from Beginner to Superior on the same day if the dog qualifies first in Beginner and again in Intermediate. Likewise, a dog may move from Games I to Games III by qualifying at each of the lower two levels. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog. Please mark each that apply and submit \$8.00 with your entry with the FAST TRACK portion completed. Payment of the \$8.00 is not a guarantee that your dog will qualify at the lower level and is non-refundable. This fee must be paid for this trial even if a Fast Track fee has been paid in the past.

HEIGHT DIVISIONS

See www.k9tdaa.com for updates to Rules and height divisions!

Owners are responsible for entering the proper measured height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in any height division. Dogs that run in a higher height division from their measured height will be scored in the higher height division. Dogs that run at a lower height than their measured height will be scored with dogs of their measured height.

TDAA Height Divisions: **Please consult your jump height card/email to confirm the correct measured height to enter.**

- **2" jump height:** for dogs measuring 4" or less at the withers (or with body type or veterans exemptions)
- **4" jump height:** for dogs measuring 8" or less at the withers;
- **8" jump height:** for dogs measuring 12" or less at the withers;
- **12" jump height:** for dogs measuring 16" or less at the withers;
- **16" jump height:** for dogs measuring 20" or less at the withers.

Dogs may qualify for a body type exemption permitting them to jump at a lower height. These include long back, weight/height (not related to obesity), and deep chest/dwarfish legs.

All dogs without a permanent height card must be measured first thing in the morning on the first day of competing at this trial. Please arrive early enough to accommodate measuring.

Veteran Dogs and Disabled Handlers:

- Veteran Dogs (7 yrs and older) receive an extension of standard course time, and can jump one height lower
 - Measured height of 2" & 4" dogs receive an additional 4 seconds
 - Measured heights of 8", 12" & 16" dogs receive an additional 2 seconds
- Disabled Handlers receive an extension of 4 seconds to standard course times and qualifying course times for games. Proof of disability shall be the handler's disabled parking tag or other documentation.

VOLUNTEER SIGN UP

Volunteers are the backbone of any agility trial. We need all hands to make a trial work. **Please sign up on the volunteer board at the trial to work during classes you are not running in.** We will make sure you get adequate time to warm up your dog and do your walk-through. We'll make sure you are instructed on how to do a job, and it's actually fun and you learn a lot getting a different view of the trial and different handlers!
