GAMES

Connect the Dots - this is a point accumulation game. The object is to collect points from dot to dot; dots being the contacts. The team will start and finish on the table. The table is not live until the dog is directed on it. No points are required to collect the first dot, but are encouraged. Each obstacle including the dots can only be performed twice for points overall. Each obstacle between dots may be performed only once for points. The dots need to have points in between in order for the dot to count.

Pinball Wizard - The goal is to accumulate as many points as possible within course time of 50 seconds.

12 Tone Row- The purpose of the game is to accumulate as many points as possible in a 60 second time limit. Each obstacle's number on the courses represents its point value.

Time Warp - The object of the game is to run the required course as fast as possible without faults. All obstacles must be completed. Scoring is time plus faults minus bonus. There will be a section with a distance bonus as well.

Rabbit Express - a 12-18 obstacle sequence designed to maximize speed. Rabbit Holes are a combination of 2-4 obstacles providing an invitation to catch the hasty rabbit. Time + faults.

Jenny Jumpers - a course made in honor of JENNY LIBAL of Jumps only. Time plus faults

Additional information on the games can be found in: The Clean Run Book of Agility Games 3rd Edition by Bud Houston _ Available at <http://www.dogagility.org/Newstore>

Disabled Handlers – A time exemption will be granted to disabled handlers amounting to 4 seconds for Standard course times and 4 seconds for qualifying course times for games class. The proof of the disability shall be the handler's disability parking tag or other documentation. There will be no special system of titling for disabled handlers.

It is possible to move up from Beginner to Superior on the same day if the dog qualifies first in Beginner and again in Intermediate. NOTICE TO EXHIBITORS

- * The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- * All dogs must be on leash or crated at all times except when in the ring or when in designated areas, being the warm-up area and the designated off leash area. It is expressly understood the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial Committee, be asked to leave the trial site.
- * In such case, no refund of any fees will be made.
- * Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.
- * Exhibitors are responsible for being at the ring gate when it is their turn to run.
- * Exhibitors may wear shirts or insignia of their training group if they wish.
- * At the handler's option, the dog may wear a flat (buckle or quick release) collar with or without tags or wear adornments, clothing, ties or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.
- * Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring. Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at www.k9tdaa.com
- * Entries will not be accepted without fees. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry Forms, one dog per entry form.
- * **Photocopied entries without the TDAA agreement on the back are NOT acceptable.** Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee.
- * The Trial Secretary will add a \$30.00 service charge for any returned checks. Subsequent returned checks from the same exhibitor may result in their being put on a CASH ONLY basis.
- * Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee.
- * No entry fee will be refunded if the trial cannot be opened or completed by reason of riots, civil disturbance, fire, and act of God, public emergency, and act of public enemy, or any other cause beyond the control of the organizing committee.
- * Bitches in season are not permitted at the trial. The club will refund all but \$5.00 of the entry fee for bitches unable to compete for that reason. The Trial Secretary must receive written notification from a Veterinarian of such claim for refund by letter (not email) before April 8, 2013.

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a lower than their proper height division. Dogs that run in a height division lower than their division will be eliminated. A judge must measure provisional dogs.

2" jump height - restricted to dogs measuring 4" or less at the withers; or dogs with a jump height exemption measuring 8" or less

4" jump height - restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less

8" jump height - restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 16" or less.

12" jump height – restricted to dogs measuring 16" or less at the withers; or dogs with a jump height exemption measuring 20" or less.

16" jump height – restricted to dogs measuring 20" or less at the withers.

Special provisions are made for the dogs that are long-backed, or dogs whose depth of chest is greater than his legs length.

E1 - Long backed dogs – The long-backed dog would be based on the measurements of the dog from the front of the chest to the back of his rear compared to the measurement of the dog's height at the withers. As a rule of thumb, if the dog's length is 150% or greater than the height measurement, the dog would qualify for this exemption.

E2 - Weight to length provision (by structure, not obesity) – This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

E 3 - Dogs with dwarfish legs/deep chest dogs – This exemption is granted to dogs whose leg to shoulders height ratio is 1/3 or less of the dog's overall height. The exemption for dog's with dwarfish legs in based on the measurement of the dog's withers height, when that height is 150% or greater than the measurement of the space from the floor to chest veteran dog is a dog at least 7 years of age. There is no special system of titling for veteran dogs.

A dog also may be given a waiver to jump at a lower height even though he does not meet any of the criteria for a jump height exemption. A waiver will be given to a dog for extraordinary circumstance. Dogs given a waiver to a lower jump height will be able to earn qualifying legs and all TDAA titles.

If you do not have a TDAA height card your dog must be measured.

2017 TDAA PETIT PRIX

Check the Website for information

www.k9tdaa.com

****“DDV” - New starting now in TDAA** Dogs may be given another exemption for double-digit Veteran status (age 10 or above). It gives an additional height exemption but no additional time. Also, a handler may choose to run their dog at any jump height, the dog will be scored with their measured height.
