VOLUNTEER SIGN UP

Volunteers are the backbone of any agility trial. By its very nature TDAA is small. Small dogs, small equipment, small trials and small number of handlers. We need all hands to make a trial work. Please sign up to volunteer to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience running in TDAA while at the same time helping to make the trial run smoothly.

If you are able to help, please fill out this form to indicate the job(s) you are willing to do and return it with your entry or contact the Trial Secretary directly.

GAMES

Touch N Go

The course for Touch and Go consists only of contacts obstacle and tunnels. The handlers must direct the dog to perform the obstacles in the order specified by the judge. There will be no refusal faults, and there are no jumps bars to be dropped. The only thing the handler has to worry about is that the dog touches the yellow and staying on course.

Connect the Dots

The purpose of this game is to accumulate as many points as possible in the allotted time by connecting the dots. The “dots” are the contact obstacles on the course. These are also the highest- value obstacles on the course.

In and Out

The course is divided in to three different segments. The “inner” loop, the “in and out” loop ands the “outer” loop. The dog must start at the inner loop, move to the in and out loop, and then finish on the outer loop. If a fault occurs during a loop, the dog must immediately restart the first obstacle in that loop. The loop is repeated until completed without fault. Then the dog must start the next loop. The judge will call out “fault” when a dog has faulted an obstacle.

Fullhouse

The objective of Full House is to successfully accumulate required points, and before time expires, gather the elements of the Full House.

Three of a kind- 3 single jumps

Two of a kind – 2 “circles” (tunnel, chute, or tire)

Joker – 1 contact or weaves

FAST TRACK - Move Up Request

TDAA Number: _____

Dog's Name: _____

Person's Name: _____

Move up to: Intermediate Superior

Move up to: Games II Games III

Fast Track Move-Ups: Titles may be grandfathered from other organizations on a “Fast Track” basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. Likewise, it is possible to move up from Beginners to Superior on the same day if the dog qualifies first in Beginners and again in Intermediate. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog. **Please mark each that apply and submit \$8.00 with this FAST TRACK Move-Up Request form. Payment of the \$8.00 is not a guarantee that your dog will qualify at the lower level and is non-refundable. The Fast Track fee is a one-time only fee and carries over from trial to trial.**

NOTICE TO EXHIBITORS

- * Pre-entry move-ups will be accepted by email up to the day of the trial for each class.
- * The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- * All dogs must be on leash or crated at all times except when in the ring or when in designated areas, being the warm-up area and the designated off leash area. It is expressly understood the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial Committee, be asked to leave the trial site.
- * In such case, no refund of any fees will be made.
- * Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.
- * Exhibitors are responsible for being at the ring gate when it is their turn to run.
- * Exhibitors may wear shirts or insignia of their training group if they wish.
- * At the handler's option, the dog may wear a flat (buckle or quick release) collar with or without tags or wear adornments, clothing, ties or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.
- * Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring. Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at www.k9tdaa.com
- * Entries will not be accepted without fees. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry Forms, one dog per entry form.
- * **Photocopied entries without the TDAA agreement on the back are NOT acceptable.** Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee.
- * The Trial Secretary will add a \$25.00 service charge for any returned checks. Subsequent returned checks from the same exhibitor may result in their being put on a CASH ONLY basis.
- * Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee.
- * No entry fee will be refunded if the trial cannot be opened or completed by reason of riots, civil disturbance, fire, and act of God, public emergency, and act of public enemy, or any other cause beyond the control of the organizing committee.
- * Bitches in season are not permitted at the trial. The club will refund all but \$5.00 of the entry fee for bitches unable to compete for that reason. The Trial Secretary must receive written notification from a Veterinarian of such claim for refund by letter (not email) before Feb. 1, 2009.

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a lower than their proper height division. Dogs that run in a height division lower than their division will be eliminated. A judge must measure provisional dogs.

4" jump height - restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less

8" jump height - restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 15" or less.

12" jump height – restricted to dogs measuring 15" or less at the withers; or dogs with a jump height exemption measuring 17" or less.

16" jump height – restricted to dogs measuring 17" or less at the withers.

Special provisions are made for the dogs that are long-backed, or dogs whose depth of chest is greater than his legs length.

E1 - Long backed dogs – The long-backed dog would be based on the measurements of the dog from the front of the chest to the back of his rear compared to the measurement of the dog's height at the withers. As a rule of thumb, if the dog's length is 150% or greater than the height measurement, the dog would qualify for this exemption.

E2 - Weight to length provision (by structure, not obesity) – This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

E 3 - Dogs with dwarfish legs/deep chest dogs – This exemption is granted to dogs whose leg to shoulders height ratio is 1/3 or less of the dog's overall height. The exemption for dog's with dwarfish legs is based on the measurement of the dog's withers height, when that height is 150% or greater than the measurement of the space from the floor to chest veteran dog is a dog at least 7 years of age. There is no special system of titling for veteran dogs.

A dog also may be given a waiver to jump at a lower height even though he does not meet any of the criteria for a jump height exemption. A waiver will be given to a dog for extraordinary circumstance. Dogs given a waiver to a lower jump height will be able to earn qualifying legs and all TDAA titles.

A copy of your TDAA height card must accompany your trial entry or be presented at check in.

If you do not have a TDAA height card, your dog must be measured prior to running in the trial.
