## GAMES

### **Full House**

The objective of Full House is to successfully accumulate required points and before the expiration of time gather the elements of the Full House: three-of-a-kind – 3 single bar jumps, twosome – 2 "circles" (tunnel, collapsed tunnel, tire or window jump) & Joker – 1 contact, weaves, broad, double, or triple. All obstacles may be performed only twice for points. Back-to-back performances are allowed.

### **Las Vegas**

The object of Las Vegas is to accumulate as many points as possible in sixty seconds by running sequences of varying point value. Time starts when the team crosses starting line to any sequence of choice. To get points for a sequence, the dog must complete the sequence without fault.

For Novice: knocked bars, missed contacts, off courses are faulted. For Advanced: all of the novice faults, plus refusals and missed weave poles are faulted. If a dog faults an obstacle then the *entire* sequence has been lost. The team must restart any sequence eligible for point accumulation from behind the containment line.

If a dog drops a bar on a sequence, the bar is not reset and the sequence is deemed ineligible for point accumulation. Point accumulation stops at sixty seconds. No points are given for partially completed sequences. Teams must run across the start/finish line to stop time.

### **Minuet**

The dog and handler have 50 seconds. Repeat the sequence as a continuous loop until the expiration of time. The judge may specify that the dog has to cross a finish line or go to a table to stop time after the whistle blows to end scoring.

### **Colors**

The objective is to successfully negotiate one of three overlapping agility mini-courses. The handler may choose which course to run.

### **Jumpers**

Jumpers courses consist only of hurdles and tunnels, with some limitations between the different venues. The dog is required to run the course in the sequence indicated by the judge.

### **Disclaimer**

Judge's briefing on day of trial supersedes any previous briefings. The judge will discuss in more detail the game techniques.

Additional information on the games can be found in:

### **The Clean Run Book of Agility Games**

*2<sup>nd</sup> Edition*

## NOTICE TO EXHIBITORS

- \* The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- \* All dogs must be on leash or crated at all times except when in the ring or when in designated areas, being the warm-up area and the designated off leash area. It is expressly understood the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial Committee, be asked to leave the trial site.
- \* In such case, no refund of any fees will be made.
- \* Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.
- \* Exhibitors are responsible for being at the ring gate when it is their turn to run.
- \* Exhibitors may wear shirts or insignia of their training group if they wish.
- \* At the handler's option, the dog may wear a flat (buckle or quick release) collar with or without tags or wear adornments, clothing, ties or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.
- \* Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring. Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at [www.k9tdaa.com](http://www.k9tdaa.com)
- \* Entries will not be accepted without fees. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry Forms, one dog per entry form.
- \* **Entries without the TDAA agreement are NOT acceptable.** Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee.
- \* The Trial Secretary will add a \$30.00 service charge for any returned checks. Subsequent returned checks from the same exhibitor may result in their being put on a CASH ONLY basis.
- \* Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee.

- \* No entry fee will be refunded if the trial cannot be opened or completed by reason of riots, civil disturbance, fire, and act of God, public emergency, and act of public enemy, or any other cause beyond the control of the organizing committee.
- \* Bitches in season are not permitted at the trial. The club will refund all but \$5.00 of the entry fee for bitches unable to compete for that reason. The Trial Secretary must receive written notification from a Veterinarian of such claim for refund by letter (not email) before January 28, 2019.

### Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a lower than their proper height division. Dogs that run in a height division lower than their division will be eliminated. A judge must measure provisional dogs.

**2" jump height** - Restricted to dogs measuring 4" or less at the withers; or dogs with a jump height exemption measuring 8" or less.

**4" jump height** - Restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less

**8" jump height** - Restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 16" or less.

**12" jump height** - Restricted to dogs measuring 16" or less at the withers; and open to all dogs with a jump height exemption measuring 20" or less.

**16" jump height** - Open to all dogs measuring 20" or less at the withers.

Special provisions are made for the dogs that are long-backed, or dogs whose depth of chest is greater than his legs length.

**E1 - Long backed dogs** – The long-backed dog would be based on the measurements of the dog from the front of the chest to the back of his rear compared to the measurement of the dog's height at the withers. As a rule of thumb, if the dog's length is 150% or greater than the height measurement, the dog would qualify for this exemption.

**E2 - Weight to length provision** (by structure, not obesity) – This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

**E3 - Dogs with dwarfish legs/deep chest dogs** – This exemption is granted to dogs whose leg to shoulders height ratio is 1/3 or less of the dog's overall height. The exemption for dog's with dwarfish legs is based on the measurement of the dog's withers height, when that height is 150% or greater than the measurement of the space from the floor to chest.

**A veteran dog** is a dog at least 7 years of age. There is no special system of titling for veteran dogs.

A dog also may be given a waiver to jump at a lower height even though he does not meet any of the criteria for a jump height exemption. A waiver will be given to a dog for extraordinary circumstance. Dogs given a waiver to a lower jump height will be able to earn qualifying legs and all TDAA titles.

## THANK YOU SO MUCH FOR VOLUNTEERING!

Volunteers are the backbone of any agility trial. By its very nature TDAA is small. Small dogs, small equipment, small trials and a small number of handlers. We need all hands to make a trial work. Please sign up to volunteer to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience running in TDAA while at the same time helping to make the trial run smoothly.

If you are able to help, please fill out this form to indicate the job(s) you are willing to do and return it with your entry or contact the Trial Secretary directly.

**Fast Track Move-Ups:** Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior or from Games I to Games III on the same day. The dog must qualify first in Beginner and again in Intermediate or Games I and Games II. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog. **Please mark each that apply and submit \$8.00 with this FAST TRACK Move-Up Request form. Payment of the \$8.00 is not a guarantee that your dog will qualify at the lower level and is non-refundable. The Fast Track fee must be paid for this trial even if it was paid for previous trials.**
