Certification

Permission has been granted by the Teacup Dogs Agility Association for the holding of this event under Teacup Dogs Agility Association Rules and Regulations, which are available at the TDAA website www.k9tdaa.com.

Trial Eligibility

This trial is open to all dogs, without regard to breed or pedigree, measuring 20" or less, who are at least 12 months of age. No dog may participate with apparent injuries, lameness or bandages. Blind dogs, bitches in season, and dogs that are aggressive may not compete.

Effective in 2018, dogs with three legs or feet, either by amputation or birth defect, shall be able to compete so long as the disability doesn't clearly create a safety hazard for the dog.

Your dog must be registered with TDAA to compete in TDAA trials. There is a registration form included in the premium. You can register online at www.k9tdaa.com, mail a completed registration form to TDAA, or bring the form to the trial secretary for day-of-trial registration. If you have sent a registration form for your dog to TDAA but their number has not been received, please mark PENDING in the TDAA number space on the entry form.

Class Information

Standard Agility Class

Beginner All dogs shall be eligible for participation in this class.

Intermediate Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) or that have satisfied the appropriate Fast Track requirement shall be eligible for participation in this class.

Superior Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) or the Teacup Superior Agility Dog (TSAD) or that have satisfied the appropriate Fast Track requirement shall be eligible for participation in this class.

Games Class

Games I All dogs shall be eligible for participation in this class.

Games II Only dogs who have earned the Games I (TG1) or that have satisfied the appropriate Fast Track requirement shall be eligible for participation in this class.

Games III Only dogs who have earned the Games II (TG2) or Games III (TG3) or that have satisfied the appropriate Fast Track requirement shall be eligible for participation in this class.

Fast Track Move-Ups: Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day if the dog qualifies first in Beginner and again in Intermediate. Likewise, a dog may move up from Games I to Games III by qualifying at each of the lower two levels. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog. Please mark each that apply and submit \$8.00 with your entry with the FAST TRACK portion completed. Payment of the \$8.00 is not a guarantee that your dog will qualify at the lower level and is non-refundable. This fee must be paid for this trial even if a Fast Track fee has been paid in the past.

Move-Ups

Move ups will be accepted for dogs earning a title at a prior show with written notice to the trial secretary, emails are accepted. Day of trial move ups will also be accepted, except as noted below for Beta Standard format.

Standard Course BETA Format

Beta format is for pairs of Standard runs (1 & 2, 3 & 4, and so on) and allows you to run the same course twice in the same course order (no renumbering of obstacles, no changing the course). And yes, you can qualify twice too!

There is no 2nd walk-thru before round 2, so if you're only running round 2, you walk before round 1. There are no move-ups in between each beta round (i.e. you can't move up in Std 1 and run the next level in Std 2.)

A pair of double run/beta standards would run like this: Set Std1/Std 2 course for Superior; walk course, run Std 1, then immediately run Std 2. Reset course for Intermediate Std 1/Std 2; walk, run Std 1, run Std 2. Reset course for Beginner; walk, run Std 1, run Std 2.

Petit Prix Qualifier

In order to qualify to participate in the 2019 Petit Prix Tournament, each dog has to earn ONE Petit Prix Qualifying (PPQ) run offered at local trials between October 1, 2018, and August 31, 2019. Two PPQ runs for the 2019 Petit Prix will be held at this trial. All dogs registered with the TDAA are eligible to enter the PPQ run.

The PPQ run is a Superior Standard class with no pause table, run under Superior Standard course times and judging standards. If you qualify on a PPQ run, you earn a qualifier toward the 2019 Petit Prix **AND** the Q is applied to your regular title track at whatever level you are currently in (Beginner, Intermediate, or Superior).

Competitors must enter the PPQ at the dog's official jump height (including body type and veterans jump height exemptions). Exemptions for "Self-declared" heights will not be recognized for play in the Petit Prix tournament.

You can preview the qualification requirements, see what games are being played, and review all the Tournament Rules on the Internet at www.k9tdaa.com or <http://wp.me/P18bml-64>

Games

The Judge will explain these games in full during the Judge's Briefing.
All games are taken from *Houston's Book of Agility Games*, 4th Edition by Bud Houston.
Copies of this book may be ordered from the TDAA website www.k9tdaa.com

JUDGE'S BRIEFING ON DAY OF TRIAL SUPERSEDES THESE PRINTED BRIEFINGS.

Black Jack

Blackjack is a dog's-choice game in which the dog is directed to accumulate exactly 21 points in the fastest time; going over 21 points disqualifies the team. *Blackjack* is scored Points, Then Time.

FAST

The Fifteen and Send Time class (*FAST*) is a dog's choice point accumulation game, with a distance challenge that can be attempted at any time during the run. The name of the game tells the tale of the game: perform up to fifteen obstacles and attempt the send, and do it all under time. *FAST* is scored points, then time

Full House

Full House is a game of timing in which the dog is obligated to collect the elements of the full house, earn as many other points as possible, and end time without losing points on a time penalty. *Full House* is scored Points, Less Penalty, Then Time.

Tag 10

Tag 10 is a dog's choice game in which the dog and handler are challenged to collect points in 10 point blocks. Faulting any obstacle erases unbanked points! *Tag 10* is scored points, then time.

FEO (For Exhibition Only)

What is FEO?? FEO is the opportunity to run your dog in a trial setting while not officially competing. For dogs not quite ready for trialing, this is a chance to practice a competition course under trial conditions. And if your dog didn't do well on a particular course during a scored run, this is a chance to try the course again.

Unlimited FEO runs will be offered at this trial. Teams may enter only FEO runs or may enter competition (scored) runs and FEO. Note: FEO runs for dogs entered in competition runs are only available AFTER completing the scored run. Teams running FEO will have a maximum of 1.5 times the standard course time in the ring. The dog may be on a leash as long as the handler is careful not to get it caught on any obstacles while in the ring. No treats or food allowed. Teams may not repeat any obstacles (no training in the ring allowed).

Awards

Ribbons will be awarded for 1st through 3rd place in each jump height in each class. Qualifying ribbons will be awarded to all dogs receiving a qualifying score. Titling ribbons will also be awarded to dogs completing a title. Dogs may receive placement ribbons without qualifying. Fast-Track dogs are not eligible for placement awards in classes through which they Fast Track.

Height Divisions

See www.k9tdaa.com for updates to Rules and height divisions.

Measured Height Divisions (Owners are responsible for entering the proper height division):

- 2" measured height ~ dogs measuring 4" or less at the withers
- 4" measured height ~ dogs measuring 8" or less at the withers
- 8" measured height ~ dogs measuring 12" or less at the withers
- 12" measured height ~ dogs measuring 16" or less at the withers
- 16" measured height ~ dogs measuring 20" or less at the withers.

Measured heights are determined based on the height of the dog at the withers. Dogs of the same measured height compete at the same course times, even when jump heights differ. Dogs of the same measured height compete against each other.

It is no longer necessary to present a jump height card when entering a TDAA trial. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

The TDAA will allow a dog's handler/owner to choose the jump height that is appropriate for that dog.

A dog may enter a trial at only one jump height. A dog's jump height may be changed at the trial only with the permission of the trial secretary.

Veteran Dogs: A veteran dog is a dog of at least 7 years of age. Veteran dogs may jump the next lower jump height. A double-digit veteran dog is a dog of at least 10 years of age. Double digit veteran dogs may jump two jump heights lower.

Time Accommodations for Veteran Dogs & Disabled Handlers

Veteran Dogs: Veteran dogs receive additional time in Standard runs based on their measured height division. Double-digit veteran dogs receive the same extension in standard course time as veteran dogs. Additional time in games will depend on scoring criteria. There is no special system of titling for veteran dogs.

Disabled Handlers: Disabled handlers receive an additional 4 seconds for Standard runs. Additional time in games will depend on scoring criteria. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the trial. There is no special system of titling for disabled handlers.

Volunteer Sign Up

Volunteers are the backbone of any agility trial. By its very nature TDAA is small. Small dogs, small equipment, small trials, and a small number of handlers. We need all hands to make a trial work. **Please sign up on the volunteer board at the trial** to work during classes you are not running in.

We will make sure you get adequate time to warm up your dog and do your walk-through. Don't worry if you don't know how to do a job! They are easy and we can show you how.

Instructions

A dog must be entered in the name of the person who actually owned it at the time entries for a show closed. If a registered dog has been acquired by a new owner, it must be entered in the name of the new owner in any show for which entries closed after the date of acquisition, regardless of whether the new owner has received the registration certificate indicating that the dog is recorded in their name. State on entry form whether transfer application has been made to TDAA.
