CLASS INFORMATION

Standard Class

Beginner Agility — All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Intermediate Agility —Dogs who have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class. Dogs that have earned a title from another organization may “Fast Track” in this class.

Superior Agility —Dogs who have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class as are dogs that have Fast Tracked through the Beginner and Intermediate levels. (Dogs who have earned the Teacup Superior Agile Dog (TSAD) are also eligible for this class.)

Games Classes

Games I— all dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Games II — only dogs who have earned the Games I (TG1) shall be eligible for participation in this class.

Games III — only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

Power and Speed

Power and Speed is a 2-part game. In the first half (Power) the dog will run an un-timed sequence of mostly technical obstacles, and in the second half (speed) the dog will run a timed jumper’s course.

Four Leaf Clover

The dog performs a numbered sequence. The dog must first perform the weave poles (the stem of the 4-leaf clover) and then perform each of the leaves of the clover. The handler can earn bonuses for remaining in the containment area that is bounded by the jumps.

The sequence ends when the dog makes his way back down the stem to the finish line.

Lucky 13

The object of Lucky 13 is to collect as many points as possible while correctly performing a total of 13 obstacles – no more, no less – with the thirteenth obstacle being the tire. The course design is up to the handler.

Tag 10

The purpose of Tag 10 is to accumulate points in 10-point blocks and to accumulate as many of those 10-point sets as possible. Sixty seconds are allotted for play.

Snooklers

Snooklers is a point accumulation game with elements of both Snooker and Gamblers. Like Snooker, there is an opening and a closing sequence. Like Gamblers, there are on course challenges that require the dog to work away from the handler.

Quidditch

Big dogs will have 60 seconds and small dogs 65 seconds to complete three numbered sequences. Upon the successful completion of a sequence the team will have the opportunity to earn bonus points for a successful performance of a tire; the ‘Beater’ bonus, for which the team will earn an additional 25 points.

Judges briefing on day of trial supersedes any previous briefings.

ENTRY ELIGIBILITY

This trial is open to all dogs that are 20" or less and are over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness that may affect a dog's physical or mental performance. **NO DOG MAY RUN** without a registration form completed prior to their first run (registration form attached).

In that case, no refund of any fees paid will be made.

This Trial will not run in the rain. If we cannot run this trial before it starts due to weather we will cancel the trial as soon as we possibly can. If we have to finish short and cannot restart the trial there will be no refunds for unfinished runs. If for some reason the trial has to be cancelled after the closing date we will do our best to reimburse as much as we can after expenses have been gone over. There is NO guarantee of a full refund.

For safety of the dogs and the humans; this trial will not run in rainy weather.
Thank you!

How the Fast Track Move-Up Program Works

Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginners to Superior on the same day, if the dog qualifies first in Beginners, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day if the dog qualifies first in Games I and then qualifies again in Games II.

A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificates for each dog.** Fast tracked dogs are not eligible for placement or title ribbons, but are eligible to receive Q ribbons.

Submit \$8.00 for each dog's fast track move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. If you have fast tracked before at a previous trial but have not moved up to the equivalent level based on titles earned through another organization, you may fast track at this trial by submitting the Fast Track Move Up request and fee.

Include FAST TRACK Move Up request with entry form
Owner must submit copy of Title Certificate for the Dog
