CLASS INFORMATION

Standard Class

Beginner Agility—All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Intermediate Agility — Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.

Superior Agility — Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class. (Dogs who have earned the Teacup Superior Agile Dog (TSAD) are also eligible for this class.)

Games Classes

Games I—All dogs shall be eligible for participation in this class. There shall be no grand-fathering of titles from other organizations.

Games II — Only dogs who have earned the Games I (TG1) shall be eligible for participation in this class.

Games III — Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

Beat the Clock is a sequencing game in which the obstacles are arranged in four parts, like quadrants of the clock. Obstacles are typically arranged around the tire. The handler is required to do the tire (or another obstacle as specified by the judge) before each of the quadrants. Beat the Clock is scored Points, Then Time.

Blackjack is a dog's-choice game in which the dog is directed to accumulate 21 points in the fastest time; going over 21 points disqualifies the team. During point accumulation the dog must score at least one obstacle from three obstacle types. Blackjack is scored Points,

What's My Line is a game of strategy in which the handler is required to direct his dog to perform every obstacle on the field once, but only once. The dog earns one point for each obstacle performed. What's My Line is scored Points, Then Time.

Jumplers is a combined class of Jumpers and Gamblers. The dog will run a numbered course consisting of jumps and tunnels that will feature elements on which the dog will earn bonuses for working at a distance from the handler. Jumplers is scored Time, Plus_Faults, Less Bonus.

ENTRY ELIGIBILITY

This trial is open to all dogs over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

The Following is the List of Obstacles that will be used at this trial:

A-Frame (6'8" x 2' sides, slatted or slatless)
Table
Tire Jump
Dogwalk (8' long planks, slatted, 11-1/2" wide)
Weave Poles (24" spacing)
Teeter (8' long, slatless, 11-1/2" wide)
Non-winged/Winged Single Jumps
Open (*Pipe*)Tunnels (16" dia), 10' and 12' long

WARM-UPS:

A warm up area, consisting of a regulation agility jump, shall be provided for all exhibitors. Other obstacles may or may not be included in the warm up area. There will be obstacle familiarization at this trial, details to be announced at the start of each trial day.

Special things to know about this site

There will be no food vendor on site. There is a pizza shop and a Stewarts within a few minutes of the trial site. Indoor crating will be available in an adjoining building.

COVID-19 Trial Guidelines

Our trial will be run using current NYS COVID-19 guidelines. Details about these guidelines will be communicated in the confirmation letter.

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in any height division.

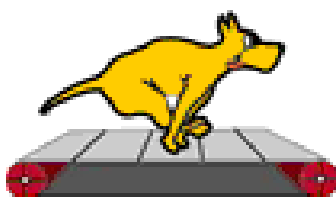

- 4" jump height: for dogs measuring 8" or less; or with a jump height exemption measuring 12" or less
- 8" jump height: for dogs measuring 12" or less; or with a jump height exemption measuring 16" or less
- 12" jump height: for dogs measuring 16" or less; or with a jump height exemption measuring 20" or less
- 16" jump height: for dogs measuring 20" or less at the withers.

Special provisions are made for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see rules for complete description of height exemptions; www.dogagility.org).

Veteran dogs: A jump height exemption (next lower height) will also be granted to veteran dogs (dogs of at least 7 years of age). Also, additional time of 2 seconds will be added to course time for standard and optionally in games.

Handicapped handlers: 4 seconds of additional time will be allowed for disabled handlers if so desired. Proof of disability shall be a copy of the handler's disabled parking permit or other official documentation sent with entry or presented at check-in.

How the Fast Track Program Works

Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible for the Fast Tracking dog to move up in the Standard Class from Beginner to Superior on the same day; this can happen if the dog qualifies on his first run in Beginner, and then on his next run in Intermediate. A dog that is Fast Tracking competing in Games 1 on his first run may only move up to Games 2 for his next run, whether or not he earned a score satisfying the qualifying requirements for Games 3 in his first run.

A qualifying score in the lower class is required to move up to the next higher class. You must submit a copy of title certificates for each dog. Fast tracked dogs are not eligible for placement or title ribbons, but are eligible to receive Q ribbons.

Submit \$4.00 for each dog's fast track request (one \$4 fee for games and one \$4 fee for standard). Payment of the fee is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. Even if you have paid to fast track your dog before, you must pay the fee again to fast track at this trial.

FEO (For Exhibition Only)

FEO (For Exhibition Only): TDAA offers FEO runs. They are open to any TDAA registered dog in any class. These are offered at the option of the local/host club. FEO dogs will run last in their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO teams will have a maximum time of 1.5 times the SCT.

FEO dogs cannot repeat any obstacles; no training in the ring

Move-Ups

Move-ups will be taken on the same day or from Saturday to Sunday of the trial. They will apply to the next game played that day, or next round of Standard. Please submit your move-up request as soon as possible after results are posted for the current class so the trial secretary has time to do the paperwork.

NOTICE TO EXHIBITORS

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the show committee. A refund of all but \$15 will be given for bitches in season if secretary is contacted by the Wednesday before the trial.
- All fees must be paid in US funds. There will be a Returned Check Fee of \$30 for returned checks. In the event of withdrawal from the event, checks will NOT be returned. All unused checks will be destroyed.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and / or children. Any exhibitor whose dog(s) and / or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the show committee, be asked to leave the show site. In that case, no refund of any fees paid will be made.
- All dogs must be on leash at all times except when using the warm up area or in the agility ring.
- No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy or any other cause beyond the control of the organizing committee.
- Obstacles shall meet the specifications for obstacles in the current edition of the Regulations for Agility Trials.
- Exhibitors are responsible for complete, accurate and legible information on entry forms; illegible or incomplete entries cannot be entered in the show.
