Notice to Exhibitors

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund of any fees paid will be made.

Food and toys are not permitted in the course area, and handlers are not allowed to use whistles or other instruments or devices.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Exhibitors may wear shirts with insignia of their training group if they wish.

At the handler's option, the dog may wear a flat (buckle or quick release) collar without tags or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.

Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

ELIGIBILITY: This event is open to any dog 17" and under, and over the age of 12 months. Exceptions are: bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

Games Classes

Quidditch – This is a simple game of handling skill. The handler must direct the dog to perform three sequences of escalating value, and attempting the simple performance of a tire after each. The game is full of interesting bonuses and colorful phraseology. Quidditch is scored points, then time.

Power and Speed - This is a 2 part game. In the first part the dog will run an un-timed sequence of mostly technical obstacles, and the second part the dog will run a timed jumpers section. This game is scored time plus faults.

Four Leaf Clover – This is a game in which obstacles are arranged in a pattern resembling a four leaf clover. The dog earns bonuses for performing the leaves of the clover while the handler stays in the middle. This game is scored points, plus bonus, less faults.

Snooklers - This is a point accumulation game with elements of both Snooker and Gamblers. Like Snooker, there is an opening and a closing sequence. Rather than the traditional “red jump” the “reds” are modest distance challenges. Otherwise the game works just like Snooker. This game is scored Points, then time.

How the Fast Track Move-Up Works

Titles may be grand-fathered from other organizations on a “Fast Track” basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginners, then qualifies again in Intermediate.

Likewise, a dog may move up from Games I to Games III by earning qualifying scores at each of the lower two levels.

A qualifying score in the lower class is required to move up to the next higher class. The dog’s owner must submit a copy of title certificates for the dog.

Please mark each of the following that apply:

Move up from Beginners to: Intermediate Superior
Move up from Games I to: Games II Games III

Submit \$8.00 with your move-up request, and attach this form. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have four chances at each), and is non-refundable. This Fast Track Fee must be paid for this trial even if it was paid for at a previous trial.

Quality Inn and Suites in North Lima
