## CLASS INFORMATION

**Intermediate Agility** - Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class. Dog's with higher titles from other organizations may *fast track* through through Intermediate Agility. An eligible dog may move up after one qualifying score.

**Superior Agility** - Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class. Dogs who have earned the Teacup Superior Agile Dog (TSAD) are also eligible for this class.

### Games Classes

**Games I** - All dogs shall be eligible for participation in this class. Dog's with higher titles from other organizations may *fast track* through Games I. An eligible dog may move up after one qualifying score.

**Games II** - Only dogs who have earned the Games I (TG1) shall be eligible for participation in this class. Dog's with higher titles from other organizations may *fast track* through Games I. An eligible dog may move up after one qualifying score.

**Games III** - Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

### **TIME TO BEAT**

T2B is a numbered course containing two contact obstacles and weave poles. The dog is required to complete the course in a specified time without fault to qualify. The game is scored faults than time.

### **PUPPY CANNON**

Puppy Cannon is a game featuring the pipe tunnel as a test of the handler's skill when redirecting the dog. It is typically played with three (or more) small numbered sequesnes that can be taken in the order of the handler's choosing. Puppy Cannon is scored time plus faluts.

### **What's My Line**

A strategy game where obstacles are placed randomly on the field, each obstacle is worth one (1) point. The team is to earn as many points as possible by completing each of the obstacles without repetitioin in a specified time. Repeating a previously completed obstacle stops the accumulation of points and the team must leave the field. What's My Line is scored points then time.

### **Tunnel Vision**

Tunnel Vision is a sequencing game that features only jumps and tunnels. The tunnels are arranged in clumps and must be performed with the handler at a modest distance. The tunnels can be performed in any order, making that order a matter of strategy. Tunnel Vision is scored faults, then time.

### **STANDARDS**

Notice the "}" by the standards in the **Schedule of Classes**. This means that we will run the same standard course back to back (beta). We will walk all heights, run by height, (small to tall or tall to small) and run the same course again. No walk through between the runs. If you need those standards or want to work on different training methods you've been working on, this is your opportunity.

**For more information on these games the *Book of Agility Games* is available for a modest price; please visit: <http://dogagility.org/Newstore>. Our Judges reserve the right to adapt any game played. Day of show rules supersede all others.**

## Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in any height division. Dogs that run in a height division higher than their measured division will be scored in the higher jump height division (ex: if your dog is measured into the 12" division and you jump 16" at a TDAA trial you will be competing with 16" dogs for placements). Dogs that run in a height division lower than their proper division will be scored with dogs of their measured height. TDAA height divisions are:

- 4" jump height: for dogs measuring 8" or less at the withers;
- 8" jump height: for dogs measuring 12" or less at the withers;
- 12" jump height: for dogs measuring 15" or less at the withers;
- 16" jump height: for dogs measuring 17" or less at the withers.

**ALL DOGS WITHOUT A PERMANENT HEIGHT CARD** must be measured prior to the first day of competing at this trial. arrive early enough to accommodate measuring.

**TWO MEASUREMENT BY TDAA JUDGES** are needed to show a dog in the TDAA without requiring measurement.

## For Exhibition Only (FEO)

TDAA allows FEO runs open to any TDAA registered dog in any class; offered at the option of the host club. FEO dogs may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO will have a maximum of 1.5 times of the SCT. FEO cannot repeat any obstacles. No training in the ring.

**Disabled Handlers:** A time exemption will be granted to disabled handlers amounting to 4 seconds in Standard course times and in qualifying course times for Games classes. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the trial.

## HOW THE FAST TRACK MOVE-UP PROGRAM WORKS

This may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day, if the dog qualifies first in Games I and then qualifies again in Games II enough points in Games I to qualify for Games III. A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificate for each dog.** Submit \$8.00 for each dog's move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. This Fast Track fee must be paid for this trial, even if it was paid for a previous trial.

## Entries

Entries close at May 29, 2017, after which time entries cannot be accepted, canceled, altered or substituted. Day of Event Entries **WILL BE** accepted **up and until 8:45** each morning, for \$12.00 per run. TDAA Dog Registration Numbers may be applied for at the event so that your dog can participate in this trial.

Entries will not be accepted without fees. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry forms. One dog per entry form.

**Photocopied entries, without the signed TDAA Agreement attached are NOT acceptable.** Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the Trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$25.00 service charge for any returned check(s).
