PLEASE PICK UP AFTER YOUR DOG AT THE SHOW SITE.

All dogs must be kept on leash except in designated areas.

PLEASE VOLUNTEER AT THE TRIAL!

Volunteers are the backbone of any agility trial. By its very nature TDAA is small. Small dogs, small equipment, small trials and small number of handlers. We need all hands to make a trial work. Please volunteer to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience running in TDAA while at the same time helping to make the trial run smoothly. Don't worry if you don't know how to do a job! They are easy and we can show you how! Help is also needed with set-up and clean-up after the trial.

Thank you so much for volunteering!

GAMES

Weakest Link is a dog's choice point accumulation game that requires a handler to "bank" points to keep them; or lose points that are not banked. In this game points earned must be worth as much as or more than the last points earned; and are safe only when banked. Often there will be a distance challenge accorded an extraordinary bonus value. The Weakest Link is scored Points, Then Time. ER2

SuperDog is a strategic dog's-choice point accumulation game. In concept it is based on the old PACMAN computer game that if the smiley ate a "power pill", it could move faster and gobble up things in its path. SuperDog is scored Points, Then Time. ER2

What's My Line? is a game of strategy in which the handler is required to direct his dog to perform every obstacle on the field once, but only once. The dog earns one point for each obstacle performed What's My Line is scored Points, Then Time. ER2

Snooker is a two-part game. Each part is played and scored on a different basis. The first is dog's-choice in which the dog earns the right to score three "colored" obstacles by doing a red hurdle before each. The second part is a simple sequence. Snooker is scored Points, Then Time. ER2

Additional information on the games can be found in:

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a lower than their proper height division. Dogs that run in a height division lower than their division will be eliminated. A judge must measure provisional dogs.

2" score height - restricted to dogs measuring 4" or less at the withers.

4" score height - restricted to dogs measuring 8" or less at the withers.

8" score height - restricted to dogs measuring 12" or less at the withers.

12" score height – restricted to dogs measuring 16" or less at the withers.

16" score height – restricted to dogs measuring 17" or less at the withers.

The TDAA will allow a dog's handler/owner to choose what jump height is appropriate for that dog. That means that all jump height exemptions based on body type will go away; and jump heights will become self selecting.

Veteran dogs - Dogs of at least 7 years of age. Veteran dogs receive an extension in standard course time. 4" veterans receive an additional 4 seconds while 8", 12" and 16" veterans receive an additional 2 seconds.

Disabled Handlers - Will be granted a time exemption of 4 seconds for Standard course times and 4 seconds for Qualifying course times for games classes. Proof of disability shall be the issued disability parking tag or other documentation.

There will be no special system of titling for veteran dogs or for disabled handlers.
