**Games III** - Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

### Game Descriptions

**Full House:** Full House is a game of timing in which the dog is obligated to collect the elements of the full house, earn as many other points as possible, and end time without losing points on a time penalty.

**Las Vegas:** Las Vegas is a point accumulation game in which the dog builds a hand (earns points) for performing short sequences of different value.

**Helter Skelter:** Helter Skelter is a game of speed and skill, played on a numbered course consisting of obstacles arranged in a spiral that builds speed. The Games II and Games III course may contain weave poles.

**Call Direct & Send:** Call, Direct and Send (CDS) is a numbered course that requires the team to solve three distance challenges: Call, Direct, and Send.

**Near & Far:** Near and Far is a simple sequencing game with two modest distance challenges. For the most part, the handler can run along with his dog (Near); but in the distance challenges the dog must work away (Far).

For more information on these games the *Book of Agility Games* is available for a modest price; please visit: <http://dogagility.org/Newstore>. Our Judges reserve the right to adapt any game played. Day of show rules supersede all others.

## Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in any height division. Dogs that run in a height division higher than their measured division will be scored in the higher jump height division (ex: if your dog is measured into the 12" division and you jump 16" at a TDAA trial you will be competing with 16" dogs for placements). Dogs that run in a height division lower than their proper division will be scored with dogs of their measured height. TDAA height divisions are:

- 2" jump height: for dogs measuring 4" or less at the withers;
- 4" jump height: for dogs measuring 8" or less at the withers;
- 8" jump height: for dogs measuring 12" or less at the withers;
- 12" jump height: for dogs measuring 16" or less at the withers;
- 16" jump height: for dogs measuring 20" or less at the withers.

See [www.k9tdaa.com](http://www.k9tdaa.com) for updates to Rules and height divisions.

**ALL DOGS WITHOUT A PERMANENT HEIGHT CARD** must be measured prior to the first day of competing at this trial. arrive early enough to accommodate measuring.

**TWO MEASUREMENT BY TDAA JUDGES** are needed to show a dog in the TDAA without requiring measurement.

### **For Exhibition Only (FEO)**

TDAA allows FEO runs open to any TDAA registered dog in any class; offered at the option of the host club. FEO dogs may run on lead. FEO runs do not count toward TDAA titles. FEO will have a maximum of 1.5 times of the SCT. FEO cannot repeat any obstacles. No training in the ring.

**Disabled Handlers:** A time exemption will be granted to disabled handlers amounting to 4 seconds in Standard course times and in qualifying course times for Games classes. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the trial.

## How the Fast Track Program Works

This may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day, if the dog qualifies first in Games I and then qualifies again in Games II enough points in Games I to qualify for Games III. A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificate for each dog.** Submit \$8.00 for each dog's move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. This Fast Track fee must be paid for this trial, even if it was paid for a previous trial.

## Entries

Entries close at Aug 3, 2019 at 6:00 pm, after which time entries cannot be accepted, canceled, altered or substituted. Day of Event Entries **WILL BE** accepted **up and until 8:45 am** each morning, for \$14 per run. TDAA Dog Registration Numbers may be applied for at the event so that your dog can participate in this trial.

Entries will not be accepted without fees. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee. No entries will be accepted which require a signature for delivery. All entries must be submitted on official TDAA Agility Entry forms. One dog per entry form.

**Photocopied entries, without the signed TDAA Agreement attached are NOT acceptable.** Unsigned, incomplete or illegible entries are NOT acceptable and cannot be entered in the Trial. Faxed entries and/or credit cards cannot be accepted. Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$25.00 service charge for any returned check(s). Subsequent returned check(s) from the same Exhibitor may result in their being put on a CASH ONLY basis.

## Petit Prix Qualifier

In order to qualify to participate in the 2019 Petit Prix Tournament, each dog has to earn ONE Petit Prix Qualifying (PPQ) run offered at local trials between October 1, 2018, and August 31, 2019. All dogs registered with the TDAA are eligible to enter the PPQ run. The PPQ run is a Superior Standard class with no pause table, run under Superior Standard course times and judging standards. If you qualify on a PPQ run, you earn a qualifier toward the 2019 Petit Prix AND the Q is applied to your regular title track at whatever level you are currently in (Beginner, Intermediate, or Superior). Competitors must enter the PPQ at the dog's official jump height (including body type and veterans jump height exemptions). Exemptions for "Self-declared" heights will not be recognized for play in the Petit Prix tournament. You can preview the qualification requirements, see what games are being played, and review all the Tournament Rules on the Internet at [www.K9tdaa.com](http://www.K9tdaa.com) or <http://wp.me/P18bml-64>.

## Food in the Ring

### NEW RULES REGARDING USE OF FOOD IN THE RING

As of January 1, 2019, TDAA has issued new rules regarding the use of food in the ring:

#### **5.2.2.11 Use of Food Treats**

*The handler shall be allowed to carry and use food treats in the ring as a reward for the dog so long as the food treat is not offered in a way that assists the dog in course direction or in the performance of an obstacle.*

*The dog is faulted when the handler uses a food treat in a manner that assists the dog in course direction (standard fault) or in the performance of an obstacle (failure to perform). A food treat must be kept secure by the handler. The dog shall earn a standard fault if the handler carries food in hand while the dog is working or at any time drops a food treat on the floor or equipment.*

Questions regarding this rule change will be addressed during the General Briefing each day of the trial.

## Photographer

There will be a photographer attending this trial and they will be available for actions shots and portraits.
