TO THOSE OF YOU STAYING IN AREA MOTELS

Most agility competitors are model guests, but it is becoming increasingly difficult to find motels that will accept pets due to bad experiences with excessive barking by unattended dogs. Please make it possible to have trials in this area in the future. Never leave your dog(s) unattended in a hotel room.

Eligibility

This trial is open to all dogs **20" and under** and over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance. Dogs must be registered with TDAA to compete. TDAA accepts pending registrations so day of show dog registrations will be accepted. If your dog has been registered with TDAA but their number has not been received, please mark pending in the TDAA number space.

The following is a list of obstacles planned for this trial:

A-frame (6' 8")	Teeter (8")
Weave poles (24" centers)	Single and winged jumps
Table (36" by 36")	Tire Jump
Open (Pipe) Tunnel	
Dog walk (8")	

All Contacts will be rubberized.

Warm-Ups: A warm up area consisting of a regulation jump shall be provided for all exhibitors.

Obstacle Familiarization Handlers may take their dogs over the contact obstacles, and through the tunnel, chute and tire from **8:15 until 8:30 each morning**. Obstacle familiarization will be provided for all dogs entered in the trial on Saturday. On Sunday obstacle familiarization will be provided ONLY to entered dogs that were not entered in the trial on Saturday.

Notice to Exhibitors

*The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

*All dogs must be on leash or crated at all times except when in the ring. No dogs allowed off leash outside.

*It is expressly understood the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial Committee, be asked to leave the trial site. In such case, no refund of any fees will be made.

*Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.

*Exhibitors are responsible for being at the ring gate when it is their turn to run.

*Exhibitors may wear shirts or insignia of their training group if they wish.

*At the handler's option, the dog may wear a flat (buckle or quick release) collar with or without tags or wear adornments, clothing, ties or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.

*Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

*Obstacles shall meet the specifications for obstacles in the current edition of the TDAA Rules and Regulations.

*This trial shall be judged under the current Rules and Regulations of TDAA.

*Plan to attend the general briefing each day, since all exhibitors and their associates will be responsible for following the instructions given at that time. Failure to attend the briefing does not absolve one from conforming to club rules.

*X-pens and crates can be left at the site overnight. ARF assumes no responsibility for personal items left at the show site.

*Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at www.k9tdaa.com

Height Division

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated. Provisional dogs must be measured by a judge. To figure leg to shoulder ratio: Height from the elbow to the ground ÷ height at the withers = % (ratio). If that percentage is less than 50% and meets the height requirement then the dog can jump at the next lower height.

4" jump height– Restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less.

8" jump height – Restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 16" or less.

12" jump height – Restricted to dogs measuring 16" or less at the withers; or dogs with a jump height exemption measuring 20" or less.

16" jump height-Restricted to dogs measuring 20" or less at the withers.

Special provisions are made for the dogs that are long-backed, or dogs whose depth of chest is greater than his legs length.

E1 - Long backed dogs – The long-backed dog would be based on the measurements of the dog from the front of the chest to the back of his rear compared to the measurement of the dog's height at the withers. As a rule of thumb, if the dog's length is 150% or greater than the height measurement, the dog would qualify for this exemption.

E2 - Weight to length provision (by structure, not obesity) – This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

E3 - Dogs with dwarfish legs/deep chest dogs – This exemption is granted to dogs whose leg to shoulders height ratio is 1/3 or less of the dog's overall height. The exemption for dog's with dwarfish legs is based on the measurement of the dog's withers height, when that height is 150% or greater than the measurement of the space from the floor to chest.

Veteran - A jump height exemption (next lower height) will be granted to veteran dogs. A veteran dog is a dog at least 7 years of age. There is no special system of titling for veteran dogs.

A dog also may be given a waiver to jump at a lower height even though he does not meet any of the criteria for a jump height exemption. A waiver will be given to a dog for extraordinary circumstance. Dogs given a waiver to a lower jump height will be able to earn qualifying legs and all TDAA titles.

Dogs that qualify for a lower jump height under the new rules will need to be remeasured. If you do not have a TDAA height card your dog must be measured.

They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO will have a maximum time of 1.5 of the SCT. FEO dogs can not repeat any obstacles and no training in the ring is allowed.

Dogs that qualify for a lower jump height under the new rules will need to be remeasured. If you do not have a TDAA height card your dog must be measured.

Games Classes

Dare to Double

Dare to Double is a dog's choice game. The objective is to score as many times as possible repeating a doubling obstacle on course as many times as possible. The dog must stop before course time elapses or be penalized. Dare to Double is scored Points, Then Time.

Black Hole

Black Hole is a numbered course requiring the handler to simply avoid any tunnels (Black Holes) with his dog. A dog that goes into a Black Hole must leave the course. Black Hole is scored Time Plus faults.

Black Jack

BlackJack is a dog's-choice game in which the dog is directed to accumulate 21 points in the fastest time. Going over 21 points disqualifies the team. During point accumulation the dog must score at least one obstacle from the three obstacle types. Scored Points, then Time.

Snooker

Snooker is a two-part game. The first part the dog must complete a red jump and another obstacle for points. This is performed three times. The second part is a simple numbered course. Scored Points, Then Time
