TRIAL INFORMATION

Certification Permission has been granted by the Teacup Dogs Agility Association for the holding of this event

This trial will be held indoors on rubber over padding. The following is a list of obstacles to be used. Contacts have rubber coating. 2" jumps will be obtained by crossing bars on the 4" jump cups.

A-frame (6' 8" slatless)      Tire Jump (16")      Dog walk (8' slatless ramps)      Table (30" by 30")  
Open (Pipe) Tunnel (16")      Single & winged jumps      Teeter (8' slatless, 12" wide)      Weave poles (22" centers)

A warm up area with TDAA equipment provided for all exhibitors. Obstacle familiarization is available each morning prior to judging.

**Awards:** Ribbons will be awarded for 1<sup>st</sup> through 4<sup>th</sup> in each jump height of each class. Qualifying ribbons will be awarded to all dogs receiving a Qualifying score. Dogs may receive placement ribbons without qualifying. Fast track dogs will only get Qualifying ribbons at the Beginners/Games I and Intermediate/Games II levels.

**PLEASE PICK UP AFTER YOUR DOG AT THE SHOW SITE AND HOTELS**  
**All dogs must be kept on leash except in designated areas**

**Eligibility:** This trial is open to all dogs under 20" and over the age of 12 months, except bitches in season, aggressive dogs or dogs suffering from any deformity, injury or illness which may affect a dog's physical or mental performance.

**Your dog must be registered with TDAA to participate in TDAA Trials.** There is a registration form included in this premium, or you can register the first day of the trial. TDAA rules can be obtained online at [www.k9tdaa.com](http://www.k9tdaa.com)

**GAMES DESCRIPTIONS**      *Call or email if you have any questions about these games!*

**Tag 10** – is a dog's choice game in which the dog and handler are challenged to collect points in 10 point blocks. Faulting any obstacle erases unbanked points! Scored points, then time.

**Jumpers** – is made up of jumps and tunnels only, so the play is fast and furious. Follow the numbers and keep the bars up.

**Cha Cha** – is a dog's choice game that requires the dog to earn points to the beat of the Cha-cha: two slow beats (non-jump obstacles) followed by three quick beats (jumps). This is a game of strategy and precision. *Cha-Cha* is scored Bars (Points), Then Time.

**Box Game** – is a numbered sequencing game, typically using only jumps and tunnels, providing for bonuses for the dog working at a distance. The *Box Game* is scored Time, Plus Faults, Less Bonuses.

Additional information on the games can be found in: **The Clean Run Book of Agility Games, 2<sup>nd</sup> Edition by Bud Houston.**

**CLASS INFORMATION**

**Standard Agility Class**

**Beginner**      All dogs shall be eligible for participation in this class.  
**Intermediate**      Only dogs that have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.  
**Superior**      Only dogs that have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class.

**Games Classes**

**Games I**      All dogs shall be eligible for participation in this class.  
**Games II**      Only dogs that have earned the Games I (TG1) shall be eligible for participation in this class.  
**Games III**      Only dogs that have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

**FEO (FOR EXHIBITION ONLY) – Games & Standard Classes**

TDAA offers FEO runs (at the option of the host club), open to any TDAA registered dog in any class. FEO dogs will run last at their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. Maximum time of 1.5 of the SCT, cannot repeat any obstacles, and no training in the ring.

**Fast Track Move-Ups:** Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move from Beginner to Superior on the same day if the dog qualifies first in Beginner and again in Intermediate. Likewise, a dog may move from Games I to Games III by qualifying at each of the lower two levels. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog. Please mark each that apply and submit \$8.00 with your entry with the FAST TRACK portion completed. Payment of the \$8.00 is not a guarantee that your dog will qualify at the lower level and is non-refundable. This fee must be paid for this trial even if a Fast Track fee has been paid in the past.

## HEIGHT DIVISIONS

See [www.k9tdaa.com](http://www.k9tdaa.com) for updates to Rules and height divisions!

**Owners are responsible for entering the proper measured height division.** Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division (and scored in that higher height division.) A judge must measure provisional dogs.

### **New rules effective January 1, 2015:**

- **Handler/Owner selects jump height** – Each handler may select the jump height they wish their dog to jump. All jump height exemptions are now removed. Dogs will continue to be scored with dogs at their measured height.
- **Removal of four-paw safety rule** – a Beginner dog will no longer be required to move on after committing four paws to an obstacle and leaving. Beginner dogs will have three chances to perform a contact obstacle, and will not be faulted until a third on-and-off refusal.
- **Additional time for Veteran Dogs and Disabled Handlers will still apply.**
  - Veteran Dogs (7 yrs and older) receive an extension of standard course time
    - Measured height of 2" & 4" dogs receive an additional 4 seconds
    - Measured heights of 8", 12" & 16" dogs receive an additional 2 seconds
  - Disabled Handlers receive an extension of 4 seconds to standard course times and qualifying course times for games. Proof of disability shall be the handler's disabled parking tag or other documentation. There will be no special system of titling for disabled handlers.

**Please consult your jump height card/email to confirm the correct measured height to enter.**

**If you do not have a TDAA height card/email your dog must be measured at this trial.**

## VOLUNTEER SIGN UP

Volunteers are the backbone of any agility trial. We need all hands to make a trial work. **Please sign up on the volunteer board at the trial to work during classes you are not running in.** We will make sure you get adequate time to warm up your dog and do your walk-through. We'll make sure you are instructed on how to do a job, and it's actually fun and you learn a lot getting a different view of the trial and different handlers!
