NOTICE TO EXHIBITORS

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and are able to perform all obstacles safely.

All dogs must be on leash or crated at all times except when in the ring or when in the designated agility warm-up area. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or engage in unsafe or disruptive behavior may be asked to leave the Trial site.

Refunds will be given to bitches in season. The Trial Secretary must receive written notification of such a claim before judging commences.

Food and toys are not permitted in the course area and handlers are not allowed to use whistles or other instruments or devices.

Exhibitors are responsible for being at the ring gate when it is their turn to run.

Exhibitors may wear shirts or insignia of their training group if they wish.

At the handler's option, the dog may wear a flat (buckle or quick release) collar without tags or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.

Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

Obstacle Familiarization: Obstacle familiarization will be held Saturday and Sunday mornings 15 minutes prior to the judges briefing for dogs and handlers who did not previously run in the weekend and for Beginner/Level 1 dogs.

Warm-ups: A warm up area, consisting of a regulation agility jump, shall be provided for all exhibitors. Only dogs entered in the trial may use warm up area. This should be on lead unless dog is under complete control of the handler.

Food: Food will be available at the trial site at the cost of \$7.00 per day to include breakfast and lunch. NO VOUCHERS WILL BE GIVEN. There are several fast food restaurants in the nearby vicinity.

TDAA uses scaled-down equipment on a proportionally set course. All obstacles will be on small-dog scale. See www.k9tdaa.com for details.

The following is a list of obstacles to be used: (All TDAA size, Rubberized Contacts)

A-frame (6'8" sides)	Weave Poles (20" centers)	Table (36" sides)

Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division, but not in a division lower than their proper height division. Dogs that run in a height division lower than their proper division will be eliminated. Provisional dogs must be measured by a judge.

2" jump height - Restricted to dogs measuring 4" or less at the withers; or dogs with a jump height exemption measuring 8" or less.

4" jump height - Restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less.

8" jump height - Restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 16" or less.

12" jump height - Restricted to dogs measuring 16" or less at the withers; or dogs with a jump height exemption measuring 17" or less.

16" jump height - Restricted to dogs measuring 17" or less at the withers.

Jump Height & Veteran Dog Exemptions

Special provisions are made for veteran dogs. Veteran dogs receive an extension in standard course time.

A dog's owner or handler may enter a dog at any jump height desired. A dog may enter a trial at only one jump height.

Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles.

Dogs jumping at a height other than their measured height always competes (scores) against the field of dogs at the dog's measured height.

These exemptions are explained in detail at www.k9tdaa.com, click on Rules and go to section 3.5.3 Jump Heights and 5.3.2.1 Veteran Dogs.

JUDGE'S BRIEFING AT TRIAL SUPERSEDES PREVIOUS BRIEFINGS

Power & Speed

Briefing - Power and Speed is a two part game. In the first part [power] the dog will run an un-timed sequence of mostly technical obstacles; and in the second part [speed] the dog will run a timed jumpers course. Power and Speed is scored Time, Plus Faults.

Black Jack

Briefing - Blackjack is a dog's choice game in which the dog is directed to accumulate 21 points in the fastest time; going over 21 points disqualifies the team. During point accumulation the dog must score at least one obstacle from three obstacles types. Blackjack is scored Points, Then Time.

Lucky 13

Briefing - Lucky 13 is a dog's choice game in which obstacles are laid out on the field valued from 1 point to 20 points. The dog may do only 13, without repeating any; earning the value of the assigned numbers as he works. Lucky 13 is scored Points, Less Faults, Then Time.

Football

Briefing - Football is a jumpers sequence with an opportunity for the handles to show off their NFL skills in either punting or passing for bonus points. Football is scored Time, Plus Faults, less Bonus

FEO Class

FEO - TDAA now offers FEO (For Exhibition Only) runs. They are open to any TDAA registered dog in any class. They may run on lead. FEO runs do not count toward TDAA titles or certificates. No treats or food allowed in ring. FEO runs are \$7.00 each.

Handicap Handler Exemption

Handlers who have been given handicap status by their home state will be given additional time to run standard courses and time based games.

See TDAA rules at www.k9tdaa.com for additional information. This additional time is in addition to any exemption given to the handler's dog due to Veteran status. Proof of handicap shall be a copy of the handler's disabled parking tag or other official documentation provided with the entry or presented at check-in.

Move Ups

Move Ups between classes are allowed at anytime during the trial. This includes move ups between games levels and standard levels on the same day. If a dog moves up in a class (due to another trial's result), after the registration form has been mailed to the trial secretary, move ups are still allowed if email notification is given to the trial secretary prior to the start of the trial.

VOLUNTEER SIGN UP

Volunteers are the backbone of any agility trial. By its very nature TDAA is small: small dogs, small equipment, small trials, and small number of handlers. We need all hands to make a small trial work. Please volunteer to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience and at the same time helping to make the trial run smoothly. There will be sign-up sheets posted in the crating room.
