The dog may be on a leash, as long as the handler is careful not to get it caught on any obstacle while in the ring. Teams may not repeat any contact obstacles (no training allowed) while running FEO. FEO runs do not count toward TDAA title or certificates. ***No treats or food allowed in ring.***

Disabled Handlers – A time exemption will be granted to disabled handlers amounting to 4 seconds in Standard course times and in qualifying course times for Games classes. Proof of disability shall be a copy of the handler's disability parking tag or other official documentation, which must be included with the entry or presented at check-in at the Trial.

Height Divisions -Owners are responsible for indicating the proper height division on the entry form. Judges reserve the right to measure dogs entered in any Trial. Dogs run at desired jump height, but compete at their measured jump height, and veterans receive an extended course time. Standard height divisions are as follows:

PLEASE READ! How the Fast Track Move-Up Program Works

Dogs may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day, if the dog qualifies first in Games I and then qualifies again in Games II. A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificate for each dog.** Submit \$8.00 per trial for each dog's move-up request **PER TRIAL**, not per class. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. This Fast Track fee must be paid for this Trial, even if it was paid for a previous trial

2018 TDAA PETIT PRIX

The 2018 Petit Prix Tournament will be October 5-7, 2018 in Washingtonville, Ohio. Dogs must qualify for the Tournament by earning a Q on a regional qualifying Superior standard course offered between October 1, 2017 and September 30, 2018. This is the first time we've offered Qualifiers at AQ4U. **Dogs must run at measured height in this class** (with body type, veteran, and double digit veteran considerations).

WE NEED YOUR HELP!!

Without Volunteers, Trials Don't Happen!

Please volunteer to help our trial go smoothly for all exhibitors! Each volunteer will receive a raffle ticket for a prize to be drawn each day!

GAMES CLASSES BRIEFINGS

Black Hole is a numbered course requiring the handler to simply avoid any tunnels (Black Holes) with his dog. A dog that goes into a Black Hole is subject to a significant penalty. Black Hole is scored Time, Plus Faults.

Picking Cherries is a simple dog's choice game. The dog might be directed to as quickly as possible get all the tunnels on the course... and nothing else. Picking Cherries is scored Time Only.

Run 'Til You Drop challenges the handler to correctly estimate the dog's working speed, accumulating as many points as possible within the allotted time. Scoring and time ends on the teeter as the last obstacle (the drop!) doubling the dog's score only if time has not expired. Run 'Til You Drop is scored Points, Then Time.

Trim the Tree--As in gamblers, the object of this game is for the dog and handler team to accumulate as many points as possible in a specified time. However, in Trim the Tree, the handler must place an ornament on the tree after each obstacle is successfully completed for points. The proper sequence would be obstacle-ornament-obstacle-ornament and so on. The handler will also receive points for each ornament on the tree at the end of the run.

SPECIAL NOTES

Set-up for the trial is Friday at 6:00. \$5 in AQ4U Bucks is offered for those who help, and you get your crating spot saved. We are usually done by 7:00.

Beta format means there will be two runs over the same course.
Walk once, run twice
