## TRIAL INFORMATION

This trial will be held indoors on rubber over padding. The following is a list of obstacles to be used. Contacts have rubber coating and are slatless. 2" jumps will be obtained by crossing bars on the 4" jump cups.

A-frame (6' 8")      Tire Jump (16")      Dog walk (8' ramps) Table (30" by 30")      Single & winged jumps  
Open (Pipe) Tunnel (16")      Teeter (8', 12" wide)      Weave poles (22" centers)

A warm up area with TDAA equipment provided for all exhibitors. Obstacle familiarization is available each morning prior to judging.

**Awards:** Ribbons will be awarded for 1<sup>st</sup> through 4<sup>th</sup> in each jump height of each class. Qualifying ribbons will be awarded to all dogs receiving a Qualifying score. Dogs may receive placement ribbons without qualifying. Fast track dogs will only get Qualifying ribbons at the Beginners/Games I and Intermediate/Games II levels.

### PLEASE PICK UP AFTER YOUR DOG AT THE SHOW SITE AND HOTELS

**All dogs must be kept on leash except in designated areas**

**Eligibility:** This trial is open to all dogs under 20" and over the age of 12 months, except bitches in season, aggressive dogs or dogs suffering from any deformity, injury or illness which may affect a dog's physical or mental performance.

**Your dog must be registered with TDAA to participate in TDAA Trials.** There is a registration form included in this premium, or you can register the first day of the trial. TDAA rules can be obtained online at [www.k9tdaa.com](http://www.k9tdaa.com)

## STANDARD COURSE BETA FORMAT – ALSO KNOWN AS DOUBLE RUN

Beta format is for pairs of Standard runs (1 & 2, 3 & 4, and so on) and allows you to run the same course twice in the same course order (no renumbering of obstacles, no changing the course). And yes, you can qualify twice too!

**There is no 2<sup>nd</sup> walk-thru before round 2**, so if you're only running round 2 you walk before round 1. **We are running both Beginner, then both Intermediate, then both Superior of each pair, so you CAN move up in between!**

A pair of double run/beta standards would run like this: Set Std1/Std 2 course for Beginner; walk course, run Std 1, then immediately Std 2. Reset course for Std 1/Std 2 Intermediate; walk, run Std 1, run Std 2; Reset course for Superior.

Why are we offering this? Many other clubs in the area are trying this format, and exhibitors have loved it. It offers a chance to try different handling techniques on each round (did something not work, would something different work better?) – and it means less course building! We can move more quickly through the day. We think you'll love it!

## GAMES DESCRIPTIONS

*Call or email if you have any questions about these games!*

**Heinz 57** – is a strategic dog's choice point accumulation game. The purpose of the game is to score exactly 57 points using a doubling obstacle. Scored points only.

**Twister** – is a point accumulation game in which the dog earns points for sequences of obstacles arranged in two concentric loops. The dog is required to change the direction of play between scoring sequences, alternating between the inner and outer loops. Bonus points are awarded for a faultless performance. Scored Points, Then Time.

**Nested Gamblers** – is the traditional gamblers game, with as many as three different distance challenges, nested for increasingly more technical and valuable levels. The handler might choose the gamble most suited for the skills of the dog. Scored Points, Then Time.

**Three Tunnel Barrel Racing** – is a game that approximates rodeo-style barrel racing using agility pipe tunnels. Scored Time Only.

Additional information on the games can be found in: **The Clean Run Book of Agility Games, 4th Edition by Bud Houston.**

## CLASS INFORMATION

### Standard Agility Classes

**Beginner** All dogs shall be eligible for participation in this class.  
**Intermediate** Only dogs that have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.  
**Superior** Only dogs that have earned the Teacup Intermediate Agile Dog (TIAD) shall be eligible for participation in this class.

### Games Classes

**Games I** All dogs shall be eligible for participation in this class.  
**Games II** Only dogs that have earned the Games I (TG1) shall be eligible for participation in this class.  
**Games III** Only dogs that have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

### **FEO (FOR EXHIBITION ONLY) – Games & Standard Classes**

TDAA offers FEO runs (at the option of the host club), open to any TDAA registered dog in any class. FEO dogs will run last at their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. Maximum time of 1.5 of the SCT, cannot repeat any obstacles, and no training in the ring.

**Fast Track Move-Ups:** Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move from Beginner to Superior on the same day if the dog qualifies first in Beginner and again in Intermediate. Likewise, a dog may move from Games I to Games III by qualifying at each of the lower two levels. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog. Please mark each that apply and submit \$8.00 with your entry with the FAST TRACK portion completed. Payment of the \$8.00 is not a guarantee that your dog will qualify at the lower level and is non-refundable. This fee must be paid for this trial even if a Fast Track fee has been paid in the past.

## HEIGHT DIVISIONS

See [www.k9tdaa.com](http://www.k9tdaa.com) for updates to Rules and height divisions!

**Owners are responsible for entering the proper measured height division.** Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in a higher height division (and scored in that higher height division.) A judge must measure provisional dogs.

### **New rules effective January 1, 2015:**

- **Handler/Owner selects jump height** – Each handler may select the jump height they wish their dog to jump. All jump height exemptions are now removed. Dogs will continue to be scored with dogs at their measured height.
- **Removal of four-paw safety rule** – a Beginner dog will no longer be required to move on after committing four paws to an obstacle and leaving. Beginner dogs will have three chances to perform a contact obstacle, and will not be faulted until a third on-and-off refusal.
- **Additional time for Veteran Dogs and Disabled Handlers will still apply.**
  - Veteran Dogs (7 yrs and older) receive an extension of standard course time
    - Measured height of 2" & 4" dogs receive an additional 4 seconds
    - Measured heights of 8", 12" & 16" dogs receive an additional 2 seconds
  - Disabled Handlers receive an extension of 4 seconds to standard course times and qualifying course times for games. Proof of disability shall be the handler's disabled parking tag or other documentation. There will be no special system of titling for disabled handlers.

**Please consult your jump height card/email to confirm the correct measured height to enter.**

**If you do not have a TDAA height card/email your dog must be measured at this trial.**
