

### Height Divisions

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered at any jump height desired; however, the scoring height continues to be the dog's measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. A judge must measure provisional dogs.

**4" score height** - restricted to dogs measuring 8" or less at the withers.

**8" score height** - restricted to dogs measuring 12" or less at the withers.

**12" score height** – restricted to dogs measuring 16" or less at the withers.

**16" score height** – restricted to dogs measuring 17" or less at the withers.

The TDAA will allow a dog's handler/owner to choose what jump height is appropriate for that dog. That means that all jump height exemptions based on body type will go away; and jump heights will become self selecting.

**Veterans dogs** - Dogs of at least 7 years of age. Veteran dogs receive an extension in standard course time. 4" veterans receive an additional 4 seconds while 8", 12" and 16" veterans receive an additional 2 seconds.

**Disabled Handlers** - Will be granted a time exemption of 4 seconds for Standard course times and 4 seconds for Qualifying course times for games classes. Proof of disability shall be the issued disability parking tag or other documentation. There will be no special system of titling for veteran dogs or for disabled handlers.
