JUDGE'S BRIEFING ON DAY OF TRIAL SUPERSEDES ANY PREVIOUS BRIEFINGS

Eligibility: This trial is open to all dogs 20 inches and under at the withers that are over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance. Your dog must be registered with TDAA to participate in TDAA Trials. There is a registration form included in this premium, or you can register the first day of the trial. TDAA rules can be obtained online at: www.k9tdaa.com.

Handicapped Handlers: Accommodations are made for disabled handlers. A time exemption will be granted to disabled handlers amounting to 4 seconds in the standard course and in qualifying course time for games classes. The proof of disability shall be the issued disability parking tag.

Owner: A dog must be entered in the name of the person who actually owned it at the time entries for a show closed. If a registered dog has been acquired by a new owner, it must be entered in the name of the new owner in any entries which close after the date of acquirement, regardless of whether the new owner has received the registration certificate indicating that the dog is recorded in his name. State on entry form whether transfer application has been made to TDAA.

Checklist:

- 🐾 Completed Entry Form(s) for EACH dog entered. Please write clearly to ensure accuracy of the information.
- 🐾 Completed Agreement Form(s) for EACH dog entered.
- 🐾 Completed Fast Track Request Form (if applicable).
- 🐾 Completed TDAA Dog Registration Form(s) if registering your dog(s).

Fast Track Move-Ups: Titles may be grandfathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. Likewise, a dog may move up from Games I to Games III by earning qualifying scores at each of the lower two levels. A qualifying score in the lower class is required to move up to the next higher class. The dog's owner must submit a copy of title certificates for the dog.

Submit \$8.00 with your move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances in standard and in games), and is non-refundable.

This Fast Track fee must be paid for this trial even if it was paid for a previous trial.

2019 Updates Rules

1) **JUMP HEIGHTS:** handlers may choose any jump height for their dog.... they will be scored with dogs in their official (measured) jump height division regardless of body-type exemption or veteran's exemption.

2) **HANDICAPPED DOGS:** 3-legged dogs are now permitted to earn Qs and titles at TDAA-sanctioned trials.

3) **USE OF FOOD TREATS:** The handler shall be allowed to carry and use food treats in the ring as reward for the dog so long as the food treat is not offered in a way that assists the dog in course direction or in the performance of an obstacle. The dog is faulted when the handler uses a food treat in a manner that assists the dog in course direction or in the performance of an obstacle (failure to perform). A food treat must be kept secure by the handler. The dog shall also earn a fault if the handler carries food in the hand while the dog is working or at any time drops a food treat on the floor or equipment.

Exhibitors must verify their entry information from the club's confirmation and report any entry discrepancies to the show secretary prior to the show. The show secretary is not responsible exhibitor's error in the information provided. No changes to results (except a club's scoring error) will be made once the trial has been completed when the handler did not report an entry or move up error.

If you are anticipating a TACH, TMAG, OR TAM, please let us know by **June 27th** or we may not have an award for you.

Warm-Ups: A warm up area, consisting of at least a regulation agility jump, shall be provided for all exhibitors. Obstacle familiarization on TDAA equipment will be offered before the first class on Saturday and Sunday. This will allow dogs not familiar with the smaller equipment to experience it before the first run of the day.

Height Divisions: Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered at any jump height desired. Provisional dogs must be measured by a judge. To figure leg to shoulder ratio: Height from the elbow to the ground ÷ height at the withers = % (ratio). If that percentage is less than 50% and meets the height requirement then the dog can jump at the next lower height.

- 🐾 **2" jump height:** Restricted to dogs measuring 4" or less at the withers; or dogs with a jump height exemption measuring 8" or less.
- 🐾 **4" jump height:** Restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less.
- 🐾 **8" jump height:** Restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 16" or less.
- 🐾 **12" jump height:** Restricted to dogs measuring 16" or less at the withers; or dogs with a jump height exemption measuring 20" or less.
- 🐾 **16" jump height:** Restricted to dogs measuring 20" or less at the withers.

Jump Height Exemptions: Special provisions are made for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see rules for complete description of height exemptions; www.k9tdaa.com). A jump height exemption (next lower height) will also be granted to veteran dogs (dogs of at least 7 years of age). These exemptions are explained in detail at www.k9tdaa.com, click on Rules and go to section 3.4 Jump Heights. You may subtract one height for Veteran Status and one for Body Exemption from Measured Jump Height. Some handlers prefer to jump at their Measured Jump Height rather than their Actual Jump Height.

- 🐾 **E1 Long backed dogs:** The long-backed dog would be based on the measurements of the dog from the front of the chest to the back of his rear compared to the measurement of the dog's height at the withers. As a rule of thumb, if the dog's length is 150% or greater than the height measurement, the dog would qualify for this exemption.
- 🐾 **E2 Weight to length provision (by structure, not obesity):** This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

- 🐾 **E3 Dogs with dwarfish legs/deep-chest dogs:** This exemption is granted to dogs whose leg to shoulders height ratio is 1/3 or less of the dog's overall height. The exemption for dogs with dwarfish legs is based on the measurement of the dog's withers height, when that height is 150% or greater than the measurement of the space from the floor to chest.
- 🐾 **Veteran dog:** A veteran is a dog at least 7 years of age. There is no special system of titling for veteran dogs.

Standard Class: The following classes are available for Standard runs.

- 🐾 **Beginner Agility:** All dogs shall be eligible for participation in this class. There shall be no grandfathering of titles from other organizations.
- 🐾 **Intermediate Agility:** Dogs that have earned the Teacup Beginner Agility Dog (TBAD) or that have satisfied the appropriate Fast Track requirement shall be eligible for participation in this class.
- 🐾 **Superior Agility:** Dogs that have earned the Teacup Intermediate Agility Dog (TIAD) or that have earned the Teacup Superior Agility Dog (TSAD) or that have satisfied the appropriate Fast Track requirement shall be eligible for participation in this class.

Games Class: The following classes are available for games runs.

- 🐾 **Games I:** All dogs shall be eligible for participation in this class. There shall be no grandfathering of titles from other organizations.
- 🐾 **Games II:** Only dogs that have earned the Teacup Games I (TG1) or that have satisfied the appropriate Fast Track requirement shall be eligible for participation in this class.
- 🐾 **Games III:** Only dogs that have earned the Teacup Games II (TG2) or Teacup Games III (TG3) or that have satisfied the appropriate Fast Track requirement shall be eligible for participation in this class.
