Eligibility

This trial is open to all dogs **20" and under** and over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance. Dogs must be registered with TDAA to compete. TDAA accepts pending registrations so day of show dog registrations will be accepted. If your dog has been registered with TDAA but their number has not been received, please mark pending in the TDAA number space.

The following is a list of obstacles planned for this trial:

A-frame (6' 8")	Teeter (8')
Weave poles (24" centers)	Single and winged jumps
Table (36" by 36")	Tire Jump
Open (Pipe) Tunnel	
Dog walk (8')	

All Contacts will be rubberized.

Warm-Ups: A warm up area consisting of a regulation jump shall be provided for all exhibitors.

Obstacle Familiarization Handlers may take their dogs over the contact obstacles, and through the tunnel and tire from **8:15 until 8:30 each morning**. Obstacle familiarization will be provided for all dogs entered in the trial on Saturday. On Sunday obstacle familiarization will be provided ONLY to entered dogs that were not entered in the trial on Saturday.

Notice to Exhibitors

*The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

*All dogs must be on leash or crated at all times except when in the ring. No dogs allowed off leash outside.

*It is expressly understood the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee, be asked to leave the trial site. In such case, no refund of any fees will be made.

*Handlers are not allowed to use whistles or other instruments or devices.

*Exhibitors are responsible for being at the ring gate when it is their turn to run.

*Exhibitors may wear shirts or insignia of their training group if they wish.

*At the handler's option, the dog may wear a flat (buckle or quick release) collar with or without tags or wear adornments, clothing, ties or other attachments. Choke collars, pinch collars, electric and dummy electric collars are prohibited.

*Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in an excusal from the ring.

*Obstacles shall meet the specifications for obstacles in the current edition of the TDAA Rules and Regulations.

*This trial shall be judged under the current Rules and Regulations of TDAA.

*Plan to attend the general briefing each day, since all exhibitors and their associates will be responsible for following the instructions given at that time. Failure to attend the briefing does not absolve one from conforming to club rules.

*X-pens and crates can be left at the site overnight. ARF assumes no responsibility for personal items left at the show site.

*Teacup Dogs Agility Association Rules can be obtained online in the form of a PDF file at www.k9tdaa.com

Height Division

Owners are responsible for entering the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered at any jump height desired; however, the scoring height continues to be the dog's measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. Provisional dogs must be measured by a judge. To figure leg to shoulder ratio: Height from the elbow to the ground ÷ height at the withers = % (ratio). If that percentage is less than 50% and meets the height requirement then the dog can receive an exemption to jump at the next lower height.

2" jump height – Restricted to dogs measuring 8" or less at the withers with a jump height exemption

4" jump height– Restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less.

8" jump height – Restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 16" or less.

12" jump height – Restricted to dogs measuring 16" or less at the withers; or dogs with a jump height exemption measuring 20" or less.

16" jump height-Restricted to dogs measuring 20" or less at the withers.

Special provisions are made for the dogs that are long-backed, or dogs whose depth of chest is greater than his legs length.

E1 - Long backed dogs – The long-backed dog would be based on the measurements of the dog from the front of the chest to the back of his rear compared to the measurement of the dog's height at the withers. As a rule of thumb, if the dog's length is 150% or greater than the height measurement, the dog would qualify for this exemption.

E2 - Weight to length provision (by structure, not obesity) – This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

E3 - Dogs with dwarfish legs/deep chest dogs – This exemption is granted to dogs whose leg to shoulders height ratio is 1/3 or less of the dog's overall height. The exemption for dog's with dwarfish legs is based on the measurement of the dog's withers height, when that height is 150% or greater than the measurement of the space from the floor to chest.

Veteran - A jump height exemption (next lower height) will be granted to veteran dogs. A veteran dog is a dog at least 7 years of age. There is no special system of titling for veteran dogs.

Class Information

Standard class

Beginning Agility – All dogs shall be eligible for participation in this class. There shall be no grandfathering of titles from other organizations.

Intermediate Agility - Only dogs that have earned the Teacup Beginning Agile Dog (TBAD) shall be eligible for participation in this class.

Game III – Only dogs that have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

FEO (For Exhibition Only)

TDDA now offers FEO runs. They are open to any TDAA registered dog in any class. These are offered at the option of the local/host club. FEO dogs will run last in their jump heights. They may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO will have a maximum time of 1.5 of the SCT. FEO dogs can not repeat any obstacles and no training in the ring is allowed.

Disabled Handlers: Disabled handlers will be allowed an additional 4seconds in SCT in the Standard Class and in qualifying course time in Games classes. **A copy of a disabled parking permit (or other official documentation) must be sent in with the entry.**

Games Classes

Puppy Cannon

The objective of Puppy Cannon is for the dog to do all three of the numbered sequences shown on the course map. The sequences can be taken in any order. The dog starts on the table and must begin with the pipe tunnel (the Puppy Cannon) before the performance of each of the three sequences. Puppy Cannon is scored Time plus Faults (ER5).

Colors

Colors is a sequencing game. The handler has a choice of running either of two short courses that are woven together. At the start line, the handler will declare the course they plan to run. If the dog chooses the same course, the team will earn a 5-point bonus. Colors is scored Time minus Bonus plus Faults (ER7).

Rabbit Express

Rabbit Express is a numbered, steeplechase-style speed course that dogs will need to run like the proverbial rabbit. The goal is to negotiate the sequence as quickly as possible. However, there is a twist (of course) that the wise tortoise may take advantage of. Somewhere along the course, two Rabbit Holes will be hidden. The reckless rabbit who falls into the hole must navigate the entire sequence to dig itself out and get back on the Rabbit Express. Rabbit Express is scored Time plus Faults (ER5).

Cha Cha

The objective of Cha Cha is to accumulate points by performing sets of obstacles in the time allotted. A set of obstacles is like the Cha Cha dance step – slow/slow/cha cha cha. A set consists of any two non-jump obstacles followed by three (and only three) bar jumps. Thus, a set is obstacle 1, obstacle 2, jump, jump, jump. If the dog faults an obstacle, the team must begin a new set. Cha Chas is scored Points, then Time (ER2).

*No entry fee will be refunded if the trial cannot be opened or completed by reason of riots, civil disturbance, fire, and act of God, public emergency, and act of public enemy, or any other cause beyond the control of the organizing committee.

***No refund of entries withdrawn after August 13, 2022 except as specifically stated below.**

*Bitches in season are not permitted in the trial. The club will refund all but \$2.00 per class of the entry fee for bitches unable to compete for that reason. The Trial Secretary must receive written notification from a Veterinarian of such claim for refund by letter (or email) no later than 6:00 P.M. Friday August 12, 2022.

*The same refund policy will be in effect for any dog that becomes injured or seriously ill and is unable to compete. No refunds in either case without veterinarian certification.

*In the unfortunate event of the death of an entered dog, entry fees will be refunded in full.

*Refund checks will not be issued for less than \$5.00.
