At the expiration of time, the team has up to five seconds to stop the clock by going to the table or crossing the finish line. Point accumulation by jump height: • 8" and 12", whistle at 35 sec, total game time, 40 sec • 16", 20" and 24", whistle at 30 sec, total game time, 35 sec

**Jumpers:** Jumpers courses consist only of hurdles and tunnels, with some limitations between the different venues. The dog is required to run the course in the sequence indicated by the judge. Follow the numbers. And keep the bars up.

## **VOLUNTEERS:**

**By its very nature TDAA is small. Small dogs, small equipment, small trials, and small number of handlers. We need all hands to make a small trial work. No experience needed. Every little bit helps.**

Please consider volunteering to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience running TDAA and at the same time helping to make the trial run smoothly.

If you can help, we can always use:

Timers  
Scribes  
Bar Setters

Gate order is posted by the timing table.

## HEIGHT DIVISIONS

Owners are responsible for entering their dog in the proper height division. Judges reserve the right to measure dogs entered in any trial. Height divisions are as follows: **Note: It is no longer necessary to present a jump height card when entering a TDAA trial. A dog's owner or handler may enter a dog at any jump height desired.** Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. A dog may enter a trial at only one jump height. For scoring, heights are listed below:

**2" jump height** – restricted to dogs measuring 8" or less at the withers with a jump height exemption.

**4" jump height** - restricted to dogs measuring 8" or less at the withers; or dogs with a jump height exemption measuring 12" or less

**8" jump height** - restricted to dogs measuring 12" or less at the withers; or dogs with a jump height exemption measuring 15" or less.

**12" jump height** – restricted to dogs measuring 15" or less at the withers; or dogs with a jump height exemption measuring 17" or less.

**16" jump height** – restricted to dogs measuring 17" or less at the withers.

Special provisions are made for the dogs that are long-backed, or dogs whose depth of chest is greater than his legs length.

**E1 - Long backed dogs** – The long-backed dog would be based on the measurements of the dog from the front of the chest to the back of his rear compared to the measurement of the dog's height at the withers. As a rule of thumb, if the dog's length is 150% or greater than the height measurement, the dog would qualify for this exemption.

**E2 - Weight to length provision** (by structure, not obesity) – This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

**E3 - Dogs with dwarfish legs/deep chest dogs** – This exemption is granted to dogs whose leg to shoulders height ratio is 1/3 or less of the dog's overall height. The exemption for dog's with dwarfish legs is based on the measurement of the dog's withers height, when that height is 150% or greater than the measurement of the space from the floor to chest veteran dog is a dog at least 7 years of age. There is no special system of titling for veteran dogs. A dog also may be given a waiver to jump at a lower height even though he does not meet any of the criteria for a jump height exemption. A waiver will be given to a dog for extraordinary circumstance. Dogs given a waiver to a lower jump height will be able to earn qualifying legs and all TDAA titles.

**Eligibility** – This trial is open to all dogs under 17" and over the age of 12 months, except bitches in season, aggressive dogs or dogs suffering from any deformity, injury or illness which may affect a dog's physical or mental performance.

**Your dog must be registered with TDAA to participate in TDAA Trials.**

You can find the dog registration online or you can register the first day of the trial. TDAA rules can be obtained online in the form of a PDF file at [www.k9tdaa.com](http://www.k9tdaa.com)
